Well, I smarted for several days over | Powley's Liquified Ozone Saves the Life of the Rev. William Fawcett, D.D.

life to Ozone."

I have nearl Courses for attentsweakness. I feel to-day that I owe my life to its being brought: to my notice. I believe you have an excellent family remedy and wish you every success. Yours very respectfully,

WM. FAWCETT, D.D. 103 Hazelton avenue. Terrentes.

The Rev. Wm. Fawcett, 1).1)., is one of the most brilliant sons of whom son of the late Rev. Michael Fawcett, one of the pioneer clergymen of Canada, he early distinguished himself in his calling. To-day Dr. Faw-

cett is pastor of one of the largest churches in Chicago.

Some time ago the reverend gentleman was sufand to run them down the great takes to ferring so severely from stomach disorder that he had It is the expression of lake builders that to resign his pastorate. After a vain attempt to find States, but also with foreign health in the leading cities of the United States, after spending money lavishly for the best advice of dietetic specialists, after travelling half the world over to take pulation can be found living from eight trusted, that Richard Croker in the hour medy at hand like Wade's Iron Fills who is famous for his explorations in in the noted health resorts, he came back to his father's northern Ontario, found a block of three house, 103 Hazelton avenue, Toronto, to die. But it trict that was committed to his charge was not yet his time. He had heard about Powley's between Nipissing and Algoma, and Liquified Ozone, and began taking it. In a few months he had recovered perfect health and resumed of the most fertile parts of Manitola his duties in Chicago. Now he permits his testimonial to be published, that it may do good to those who may be suffering.

Powley's Liquified Ozone kills the germs of disease and supplies the blood with the oxygen which forms about the red corpuscles of health. A great many people the resources of Ontario. To that end are unhealthy because their lungs do not extract the oxygen from the air they breathe. Now, Powley's will be no danger of this province los Liquified Ozone, being liquid oxygen, supplies them with this principle, and makes them strong. Ozone is the new method of treating disease. The instant suc-And hoarseness with their attendant cess it has attained stamps it at once as a preparation altogether different from any ever before placed at your disposal. Ozone is not a patent medicine. The prominent clergyman and citizens of Canada who have been cured by it of long-standing diseases do not lend their names to quack nostrums. You would do well to consult them and satisfy yourself as to its very great value.

Powley's Liquified Ozone is \$1.00 large size bottle; 50c small size. At druggists, or from the laboratories of THE OZONE COMPANY OF TORONTO, Limited, 48 Colborne Street, Toronto,
