A Series Of Changes.

In the service of Her Most Gracious Majesty Queen Victoria for over fourteen years was W. Latimer, 84 Louisa street, Toronto, first as a trooper in the Scotch Greys, then as a stoker on board H. M. battleships

"Triumph" and "Ajax. The work as stoker told somewhat severely on Mr. Latimer's decreased the health, and he became troubled with kidney disease. His body was midence of all nations in terribly bloated. His legs and feet swelled and he experienced fearnotes that none of the six ful distress. He entered the English hospital in Montreal and underlows:
"It is nearly ten years since my illone real nurse was equally scrupulous.
It also says that the committee appointed to received be warriors treated to receive the warriors treated great coldness and represent Toronto he engaged with the Polson Iron Works Co. as fireman. must have been done | The old trouble came back. The physicians examined him and he while the congratulations | was sent to Grace Hospital, corner Huron and College streets, for feature of the episode | treatment for GALLOPING CONSUMPTION. Several doctors there avoid diagnosed his case as hopeless, and he was ordered to the Home for Incurables. He was tremendously bloated; skin yellowish, clammy) and puffy; suffered terribly from neuralgic pains, and had a very bad [what it intended to do as attack of dysentery. However, he refused to go to the Home for Incurables and went to his home to die. This was late this summer. He was adviscellate hake Powley's Liquified Ozone, and procured a I bottle. He noticed an improvement almost immediately, four doses The Grand Trunk RR. Working stopped his dysentery, and he kept on. When he had taken four bottles he had entirely recovered. The swelling went down com-Find in a newspaper of the cure of a sound in the sum of the fixed in a newspaper of the cure of a sound in the sum of the fixed in a newspaper of the cure of a sound in the sum of the fixed in the sum of the sum of the fixed in the fixed it is quite true that the company Ozone is what gave him a complete cure. "The above is a correct wirous of making the closest poswith the coast in or representation of my case in every detail. (Signed), W. LATIMER, 84
