Of course, if I were an English tourist I I would have expected to find the pig is real saying in one of his stories-and while agriculturists generally, for it is horned cattle, sheep and horses that pay most of the rents in Ireland, the pig has always played a very important part in the social economy of the small farmer and the agricultural laborer. Even proverbs make that clear. "You're on the pig's back" means prosperity; "The pig is on your back" indicates misfortune .- Nineteenth Century.

COMPRESSED AIR.

The Idea of Uning It For Cleaning In Centuries Old.

"I sometimes wonder," said the man from the southwest, "whether the ventor who turned compressed air to cleaning purposes thought he had brand new idea. If so, he was much mistaken. I saw air used for cleaning years ago. If I numbered my years by centuries instead of scores, I think might have seen it at my birth just the

"The older method is primitive, of course. While the up to date system carries the air from a central station to the point of use, the original way is to press it on the spot. It's less dangerous. first saw air used for the next to godly purposes years ago down in Mexico. A crowd of women were scattered along the banks of a stream. They knelt by flat stones at the edge of the water. By the side of each woman was the pile of garments to be washed. Each article had been thoroughly covered with soap from the soapweed. Nature is generous down there and grows the article.

a few weeks he knows everybody in the "The women took the garments one by one and spread them out on the flat stones. Then they flirted and twisted and rubbed them to take the dirt out. Perhaps you imagine that they used the stone as a scrubbing board. Not at all. Mexican matrons don't like to patch and ing up here. The opinion is based on a | mend or to make new clothes any better than those north of the border.

"The washers took the well soaped Of garments and flung them over the stone was kneaded out as the baker kneads the dough. It carried with it the dirt. The act was repeated again and again until the garment was white. The wear wasn't greater than on a modern scrubbing board, and the results were as good. know, because I have worn shirts washed in this way. And this style of using air to clean was an old story, they tell me, I when Nero ruled."

tender tees which owe their tenderness to having been crowded into wrong shaped shoes. One of the most comfortable of "Slater Shoe" shapes, the rounding curve on the outer edge of the sole and the peculiarly raised toe cap are special features in this shape, ensuring

comfort and retaining stylishness. Button, laced, elastic sides, leathers that are guaranteed and colors that are correct.

Every pair Goodyear welted, name and price branded on the sole in a slate frame-the trade mark of the makers-\$3.50 and \$5,00,---

HAINES & LOCKETT, Sole Local Agents.

SOLD ONLY IN KINGSTON BY

favorite. Sold all over Canada, at Grocers, Clubs and Hotels. Those who are accustomed to using imported English ales will find it perfectly satisfactory and at a much lower price.

JAMES McPARLAND, Agent, Kingston.

Every day now we are Opening up new lines of

Christmas Novelties.

There's enough of them on display at present for you to judge of their uniqueness. Imported Confections, 'Xmas Crackers, and Stockings, Prize Packets, and hosts of rare and Fancy Gifts in Chocolates, Bon Bons, etc. Early choosers find the biggest assort-

TON THE

and Germany. Stoos losses in from seven to ten days to that they never return. Drains entirely cea
