ronto Event.

give any accurate figures.

Mrs. Georgie Graham Starr, Stanstead, Que., thus writes to Flaneur of the Mail: "We meet on mutual ground over the newsboys' dinner, which you propose, as the first one ever given in Canadian | tention to the newsboys. He was then ance. Large cards of invitation were the gentlemen in charge there for distribution among the boys. They were all to meet in front of the Newsboys' home at seven o'clock, and were to march behind a brass band, with such dignitaries as Messrs. Bunting, Farrer, and John Ross Robertson heading the procession. But, bless your soul, at 6:30 they were all in front of the church, a howling, seething mass, four hundred strong. There was a wild rush for seats, but the order was given "ladies first"; every boy waited till the twenty-five little newsgirls were seated. Like the

burial of Sir John Moore, "few and short Galveston, Texas, Dec. 13.—General were the prayers they said," as they plate of oyster soup, sandwiches, canas dies, and cake galore for each. They were to be waited on by the good ladies and deacons of the church, but these latter never got a chance. With one consent. every head went down to the plates, and one long sup-p-p and the plates were l empty, and, like lightning, every thing prockets, and pant legs were the receptacles of food. The band stopped playing in sheer amazement and the faces I of the waiters (?), were a study, everybody was out of a job! The two most laughable that can be recalled were the Billy" Hambly. The latter said, slow-"Good G-a-w-d!" while the newsboys, in a chorus, said: "Next!" They were escorted to the body of the church. where the choir gave a beautifully-rendered selection of music, during which candies and caps flew across the build-Then a shout arose: "Give us Bye and Bye" was chosen, and how strongly they roared out: "In the sweet bye and bye, give us some more pie!" Two pair of socks and a pair of boots were given each one. Dear old Kribbs, he is gone now-came that night and made himself so useful—then wrote everybody nearly bawled who read it. He had us all so near against the throne that we felt and looked good for a week. Somehow I feel sort of misty in the eves, and if you want any more, see Kribbs' description in back fyle over his

favorite pen-name of "Pica."

Developing Anticosti. An Ottawa gentleman who recently visited Anticosti states that Mr. Menier is carrying out developments on an elaborate scale on the island. He has Unless public confidence is restored erected three steam saw mills, with a lower expenditures are estimated at close upon factory for the manufacture of pulp, | 50 having on the island abundant raw material in the shape of 2,500,000 acres of spruce. The French millionaire is said 215 1000 and to have afterwards refused an offer of \$3,000,000 for it.
