ders, headaches and body pains tell of exhaustion and approaching collapse of the system.

But what is to be done?

Stimulants have been used to whip on the tired, weak heart and to enliven the brain. Narcotics have been tried to soothe the nerves. Strong drugs have been freely taken to produce sleep. In spite of these temporary aids the system has grown weaker and ever weaker. Locomotor ataxia, paralysis, prostration, or it may be insanity, are threat-

By forming new, red corpuscles in the blood, creating new nerve force and strengthening the action of the heart, Dr. Chase's Nerve Food carries new vigor and vitality to every part of the body. It reconstructs the broken-down systems of weak and ween-out men and women, and makes them feel again the vigor of youth tingling through their nerves. Instead of tearing down the tissues it builds them up and assists nature in throwing off the attacks of disease.
