

ECZEMA ON FACE

Could Not Go Out. Five Months Under a Physician. Went from Bad to Worse.

Gave Up Hope. Friend Recommends CUTICURA. Change in One Night. Cured One Month.

I was troubled with eczema on the face for five months, during which time I was in care of physicians. My face was in such a condition that I could not go out. It was going from bad to worse and I gave up all hope, when a friend of mine highly recommended CUTICURA REMEDIES. The first night after I washed my face with CUTICURA SOAP and used CUTICURA (ointment) and CUTICURA RESOLVENT it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a month my face was as clean as ever. THOMAS J. SOTI, July 22, 1898. 312 Stagg St., Brooklyn, N. Y.

EVERLASTING ITCHING

And Burning of the Skin Cured by CUTICURA. For the last three months I have been troubled with an everlasting itching and burning of the skin on my face, and did not know what to do to cure it. I was prevailed upon to try CUTICURA REMEDIES. The result was simply wonderful. In one week after using the CUTICURA SOAP and CUTICURA RESOLVENT I was entirely rid of it, and my skin is in a healthy condition. D. H. VAN GLAN, 721 Stockton St., San Fran., Cal.
