IN PULPIT AND IN PEW.
WHAT CHURCH-GOERS LISTENED TO YESTERDAY.

Rev. Isaac Tovell, D.D., of Toronto, Preacher in an Excellent Sermon in Sydenham street Methodist Church—God's Manifestation to Joshua—Other Church Notes.

Rev. Isaac Tovell, D.D., Trinity Methodist church, Toronto, preached an excellent sermon in Sydenham street Methodist church last night. He is supplying the pulpit in Rev. E. B. Lancelotti's absence. The text was found in Joshua 24:15. The Lord's manifestation to Joshua is the subject of his sermon. He said that there was a "J. J." in this portion of the Bible. He has a "J. J." in his own name. He has a "J. J." in his own name. He has a "J. J." in his own name. He has a "J. J." in his own name.

DEATH OF A
Mrs. Thomas Sherlock, of Arranpior, Ont., tells how this famous remedy has been a family friend for several generations.

Grandmother always gave the little ones Dr. Fowler's Extract of Wild Strawberry when they suffered from cramps, colic, diarrhoea, indigestion, or any bowel complaint.

The little ones grew up—had children of their own—gave them Dr. Fowler's Extract of Wild Strawberry when necessary.

These grand children, now with children prattling at their side, can find nothing better than the old reliable Dr. Fowler's Extract of Wild Strawberry, and often said that it saved her life. I got a bottle of it and gave it to my child, and after the third dose she began to get better and slept well that night. She improved right along and was soon completely cured.

Church Paragaphs.

Rev. Mr. Philip, Catarqui, occupied the pulpit in the Princess street Methodist church last night.

Rev. Dr. T. G. Smith, once pastor of St. Andrew's, preached an able sermon in Conko's Presbyterian church last night.

T. J. Shanks occupied the pulpit in the Portsmouth Presbyterian church last evening in the absence of Rev. Godfrey Shore.

Yesterday was Rev. James Short's last Sunday in Cook's church, as his time of filling the pulpit has expired. It is not yet known who will be called to the church.

Miss Jean K. Bull, Chicago, who sang in Sydenham street church last evening, has a fine voice of considerable resonance and power. She rendered the solo "The Perfect Life" with fine taste and conception.

The clerk of the presbytery has notified the congregation of Cook's Presbyterian church to meet that ecclesiastical body on Wednesday, 23rd inst., for the purpose of discussing the resignation of Rev. Samuel Houston.

Miss Anna Warren Smith, soprano soloist, Centenary church, Hamilton, sang in Sydenham street church yesterday morning.

Miss Smith has a beautiful, rich, sympathetic voice, and her rendering of the solo "O Happy Day" will long be remembered.

Rev. Joseph Follick preached an interesting sermon in Queen street Methodist church on Sunday morning on "Christian Joy." He took the place of Rev. C. L. Bates, Portmouth, who was ill. In the evening Rev. W. T. G. Brown gave a capital discourse. In the morning the singing was accompanied by the organ as an accident had occurred to prevent its use. The singing was acceptably led by the choir.

NORRIS BROS.' SHOW

The Animal Actors Make an Attractive Parade.

Norris Bros., the noted animal trainers arrived in Kingston yesterday by special train, and unloaded some of the handsomest little animals yet seen here. The street parade given about noon was most and attracted almost as much attention as that of a circus. There are about fifty Shetland ponies and nearly a hundred trained dogs in the collection besides a great variety of monkeys, a dwarf elephant and an educated zebra. This is the first zebra which has ever been driven in harness on the streets of Kingston. It is said to be the only animal of the kind that has ever been trained.

There were a number of very pretty little chariots and other miniature vehicles in the parade. They were drawn by diminutive Shetland ponies and in some of them rode the performing dogs. Perhaps the most novel feature of the parade was the animal fire department with miniature apparatus. An abundance of rich trappings gave the parade an air of pomp throughout. The tents are located out near the street railway junction. There is a genuine street afternoon and the night performance will commence at eight o'clock. The show goes to Belleville tomorrow.

25 Quations of Blood

Pass every hour through heart, liver and kidneys. How vastly important it is that this blood should be pure so that these important organs are not irritated. And also how important it is that each of these organs should be strong and healthy so that their work may be thoroughly accomplished.

Feed Your Body Wisely

USE Grape-Nuts.

HOW GRAPE-NUTS FOOD IS CONSTRUCTED.

Grape-Nuts food is made by taking the portions of Barley and Wheat containing the nutritive elements, subjecting the different parts to different forms of treatment, and finally blending them in the proper proportions.

When ready for the market it is in the form of small granules from the size of a pin's head to two or three times that size. These pieces glisten when held to the light showing the grape sugar crystallized and deposited on each granule. This grape sugar is one of the most nutritive articles of food known, and is produced and evolved from the starchy part of the grains while in process of manufacture.

No Case or Beet Sugar is used in making Grape-Nuts.

The flavor is a very delicate sweet, and the food itself is crisp and delicious.

Being fully cooked at the factory, no preparation is required, but it is ready to eat either hot or cold.

A marked increase in mental strength is found after ten days' use of Grape Nuts.

The food contains elements which nature uses to rebuild the cellular tissue of the brain.

All first-class grocers sell Grape-Nuts at 21 cents per package.
