Called Suddenlly Away
 and of the Poor.
 unheralded the angel of
 visiting visited the home of un-
 Thomas Ronan, Bagot street, and
 hence to that bourne from
 no traveller ever returns the spirit
 his beloved wife and companion. On
 Saturday evening Mr. Ronan and his wife
 had been out walking. They retur ed at
 eleven o'clock, and soon after retiring Mrs.
 Ronan was taken ill. Dr. Phelan was
 summoned and regarded the illness so se-
 riously that the following day he advised
 that the last sacraments of the church be
 administered. This was done and at seven
 o'clock Mrs. Ronan passed from earth. The
 cause of her demise was heart failure.
 Deceased's maiden name was Miss Anna
 McGlan, daughter of Hugh McGinn, To-
 ronto. She was born at Galliff Grove,
 Armagh, Ireland, about forty six years
 ago, coming out to Canada with her
 parents when a child of eight summers.
 Twenty-eight years ago she was married to
 Thomas Ronan, eldest son of the late Major
 Ronan, a veteran of Waterloo, who died
 in Toronto several years ago at the vener-
 able age of 106 years. Rev. Fr. Lawrence,
 of St. Michael's cathedral, Toronto, per-
 formed the ceremony. Afterwards Mr.
 and Mrs. Ronan removed to this city, and
 has for many years conducted a success-
 ful undertaking business on Bagot street. One
 child, Miss Ida, a young lady residing at
 home, mourns with her father the irrepar-
 able loss.
 To-morrow morning at 10:30 o'clock a
 grand requiem mass will be celebrated in
 St. Mary's cathedral. The remains will
 then be taken to Toronto, where, on Wed-
 nesday morning, mass will be said in St.
 Michael's cathedral, the stately edifice in
 which she attended service when a girl
 and in which she was led a blushing bride
 to the altar. Interment will take place at
 St. Michael's cemetery, in the family plot.
 Mrs. Ronan was a member of the Holy
 Family, Ladies' benevolent society, League
 of the Sacred Heart and client of St.
 Anne's. She was always a good worker
 church and charitable affairs,
 patriotic Irish lady and an earnest Catho-
 She was regarded by the poor and
 body as one of their best friends. No
 ber proof of their love for her could
 given than was exemplified by
 incident this morning. An old
 upon whose brow the cares of
 onting years had furrowed many an
 wrinkle, visited the bereaved home
 a last tribute of respect. Between
 she exclaimed: "I will miss her;
 always a good friend to me."

 'Twas A Clerk's Error.
 The Hamilton Times, in reporting the
 Cline pardon case, gives the cause of the
 release: The application for pardon was
 made, but the department considered the
 case not one in which it should interfere.
 A clerk in the department misconstrued
 the message, and made it read that pardon
 had been granted. The mistake was soon
 discovered and rectified, and Cline is still
 a prisoner.
 Hamilton's Butternut Pills Cure Liver Com-
 plaint. One a Dose.
 These purely vegetable pills have for
 ten years proved to thousands of sufferers
 that they have no equal as a remedy for
 liver complaint. They act upon the liver
 in a mild yet very thorough manner, re-
 lieving congestion and removing obstruc-
 tions. Try Hamilton's Pills of Mandrake
 and Butternut, the great family remedy.
 All dealers sell them.
 They Obstruct Trade.
 Princess street merchants complain of
 the custom indulged in by young men of
 sitting in front of the store windows every
 night, but more especially Saturday nights.
 Merchants do not like to order the men
 away for fear of giving offence and losing
 trade. The habit has become so general
 that of an evening nearly every store front
 on Princess street has its quota of loung-
 ers.
 The Liver at the Bottom.
 The liver is usually at the bottom of a
 great many diseases. It is the liver which
 abstracts the bile. It is the bile which en-
 ters generally into the composition of the
 digestive ferments, and also acts as a
 cathartic. Merrill's System Tonic makes
 a strong, healthy, active liver, hence it is a
 positive cure for dyspepsia, constipation
 and nervous trouble. Fifty pleasant to-
 take doses 50c. Sold by all leading drug
 gists.
