

PIMPLES CURED BY CUTICURA SOAP

The most effective skin purifying and beautifying soap in the world, as well as purest and sweetest for toilet, bath, and nursery. It is the only preventive of pimples, blackheads, red, rough, and oily skin, rough hands with shapeless nails, dry, thin, and falling hair, and simple baby blemishes. It is so because it strikes at the cause of the most complexional disfigurements, viz., THE CLOGGED, IRRITATED, ENLARGED, OVERWORKED, OR SPOONGED PORES.

My face was covered with a pimply, ruptured, and itching skin. After using CUTICURA SOAP for six weeks my skin made a remarkable change, all the pimples went away, my skin getting as soft as velvet.

I was troubled with pimples, especially on the chin and forehead. I tried several home remedies, but they proved to be of no value, I decided to use CUTICURA SOAP, and in six weeks I was entirely rid of them.

My face was covered with pimples and blackheads. Some would heal, and others would be full of white matter. The blackheads would be all over my face. I spent about ten dollars for soap, medicine, etc., but they never did me any good. I tried CUTICURA SOAP, and it only took three cakes to cure my face.

My face was covered with pimples and blackheads. Some would heal, and others would be full of white matter. The blackheads would be all over my face. POINT MADE FOR DREYFUS.

MERCIER CHANGING?—THE AUDIENCE MUCH PUZZLED.

...very much interested in the Testimony of Professor Mercier and Other Handwriting Experts—Government Makes a Protest Against the Use of Schaeffer's Name.

Rennes, Aug. 30.—At the court martial of Dreyfus, M. Paul Meyer, member of the institute and director of the school of ancient manuscripts, was called. He deposed in favor of Dreyfus.

After hearing M. Molinier and M. P. Meyer, M. Meyer testified in favor of Dreyfus. M. Meyer spoke against the prisoner on the artillery services in the barracks.

The action of Gen. Mercier in asking to be allowed to reply to M. Molinier and then getting up and confirming the professor's statement that Esterhazy changed his handwriting since 1894 puzzled the audience.

Apparently it is between the tenth and twentieth years of married life that the great danger arises of a tragic crisis ending in the dissolution of marriage.

Psychologists novel writers and authors of problem plays will do well to study some statistics just issued from the divorce courts.

A MAD KING'S ROOM.

A Million Dollars' Worth of Stuff in Ludwig's Apartment.

Ladies' Home Journal. Half way between Munich and Salzburg is the third castle, Herrenchiemsee, built by Ludwig II. This great structure is incomplete.

The only suggestion of the purpose of this wonderful room is the \$60,000 bed, with its canopy more magnificent than any that covers a royal throne.

Psychologists novel writers and authors of problem plays will do well to study some statistics just issued from the divorce courts.
