Orphens' Home-why it was Done-Mr. Meek's Hemarks - Amendment Lost. The report of the management committee, submitted to the beard of education at its meeting last night, gave rise to some spirited discussion on two points. In presenting the report, Dr. Herald enumera McIntyre, Edward Bennett, Smith, Abrams and Shaw would not be ed the changes the committee had made in the teaching saff The most important Fee, D. Givene, James Galloway, Dr. count of ill-health. Provision, however, the transferrals of Miss Beaton their rooms over the Merchants bank. from the depot school to Victoria school of Miss Ryder to the depot school; of Miss Herry of the Orphans' Home Williameville school, and of Miss Wilder from Central school to the orphans's home. These changes had been made because it had been thought advis. | to tea. able not to keep one teacher at work all the time in an ungraded rchool, as the orphans' home and the Dapot school are. Miss Sarah Allen has been transferred from Wellington street school to the Con tral echool, Miss Henderson being put in her place. Mr. Staples, of course, takes Mr. Row's place.

> What led to the principal point of discussion was introduced by Mr. Galloway, who wanted to know why it was said that | fashiou and the delicate tints of cream and the work of Miss Beaton and Miss Henzy, in the ungraded echools, was unsatisfactory. He had been unable to see it. Mr. Horn asked why Miss Rogers had

been given a secondary position at the teachers. The reply made to this query was that Miss Ryder was thought to be more suitable for a principal. Mr. Meek then opened out and let fl many darte at the management commit tee. He first scored the members of that body for leaving the work of re-arranging

the teachers till the end of August The work should have been done two or three weeks ago, so that the board would have had time to discuss the changes. Citizen and Country, the bright socialist journal of Toronto, says: "Jarvis street Baptist church, Toronco, paid its half yearly instalment of taxes, amounting to \$387.50, last week. This is the only church we know of in Canada that acts on the principle that christianity can pay its It Has Often Been Said own way, and should not extet on the charity of the community." The interest | that a word to the wise is sufficient but as that most of the churches pay on their fore, perhaps, some exceptions to the rule, w debts would more than satisfy the tax bill. A city official bas been making himself

very uppopular of late. Recently he vieit. ed a residence on business. The servant answered the door, and in reply to his question stated that there was no bath tub in the house. He asked for the misbress and she corroborated the statement of her domestic. "I'll go up stairs and see for myself," he exclarmed, as he brushed unceremoniously past her and ascended the stairs. Had the lady's husband been at home he would not to day be in a condition to distinguish a bath tub from a city reservoir.

When Sergt. Neebitt callided with alderman Taylor the former was riding Serge Snodden's wheel. No one was presont when the two guardians of the peace firet met af er the collision, but the conversation was probably after this fashion: "You should have known better than .to bave ridden my whee!," Snodden is likely ! to have said; "a big man like you had no business being on a wheel built expressly the last moment nothing could be done but od to name the prettiest girl present she for a small, slight man like myself. You should deliberate deeply on these things." Serge. Neebett replice with a smile as he changes made in regard to Miss Henzy A local letter carrier has for the past gazes upon Sergt.
