

ORCHARD AND GARDEN.

is beneficial if scattered under the trees and pear trees. Various diseases of plants, such as scab, blight, rust, rot, etc., are caused by the growth of the tree so much so that the formation of the seed that enters the tree. The wormy fruit is destroyed as soon as your orchard will eventually free from worms. The best arguments in favor of the fruit supply for the farmer is that it contributes to the health of the people. A safe plan at all times to burn the berries and grape-vines as from the trees. They will come if left on the ground. Under the branches of a tree should be allowed. If the load of heavy for the branch to hold is the proper thing to do.

Scattered the Daisies.
The Beavers and Ponies were on the diamond at Lake Park yesterday afternoon an accident occurred. A young girl behind the catcher at a distance. She wore a hat of daisies in her hat. A man from the man at the bat with terrific speed over the crowd. The bunch of daisies directly in the line of the catcher when they were struck scattered to the four young lady did not know her hat, and looked at young men as though she lay the blame on them.

Man Attacked at Last
Last week the chairman of the works was under the impression that the street railway was responsible for removing the rails from along the tracks and endeavored to have them returned to the work. It has been found that the man who attended to the work, J. Donnelly had several men at the junction removing the rails and decorations. The other streets, especially King, where grass was cut, will also be improved to.

Girl Injured.
This afternoon a young daughter, little pattern maker, while working, was run over on Ontario street. She was leaving Tets' drug store when two ladies from Barrieffield street did not wait to get out of the damage in child, but drove on and her face cut and bruised.

Bisley Team.
The team missed getting second grand aggregate of matches by shooting a target. He came only seven points short. He did not succeed in getting man on the Bisley has four representatives and private Milne and Ferris. Carruth White, 4th Hussars.

His Trophy.
The team received yesterday their football trophy on the victorious under football team trophy is in the form of a shield, the inside of which is inscribed with the signature of "Bill" and hockey dog, worth probably \$100.

Old Well.
Yesterday carried 1000 people, this is the largest number that happened in the large crowd, and the motormen and the exceedingly attentive to their passengers. Assistant after matters.

New Year.
The New Year will be the Jewish of business are to celebrate two days last night. The open to-morrow. The Jewish calendar it.

Accident.
A man in this city, met with an accident on the Saturday. His machinery of a machine crushed that was necessary at the factory.

Stings.
The man's bow to his morning. Edward Dyre was fined \$1 for ten days. He had to pay an amount.

NEWS FROM OUR NEIGHBORS.

WHAT OUR CORRESPONDENTS HAVE TO TELL US

Fair View hits.
Fair View, Sept. 4.—Grasshoppers are destroying the vegetables and corn. Thomas Lewis has moved to the corner of Victoria street. Mr. and Mrs. J. Bennett spent Sunday at H. Clark's, Switzerville. Miss Williams, Picton, is the guest of Mrs. A. D. Snider. Mrs. S. Fife started on Thursday for Niagara Falls to visit her sister, Mrs. Hugh Milling. James Bartley and family are at Mrs. Bartley's.

Joyceville Jottings.
Joyceville, Sept. 5.—The refreshing showers of Friday were gladly received. Threshing operations have commenced. Our teacher, Mr. Bennett, did not take advantage of the holiday yesterday. The funeral of the late William McFarlane passed through on Sunday en route to Pine Grove vault, and was largely attended. Mr. McFarlane was well known here and was respected by everybody. D. Downey and family, Kingston, spent Sunday at E. Hitchcock's, as did also B. McCreary and family at John Trotter's.

Tichborne Topics.
Tichborne, Sept. 4.—Bush fires are raging in all directions, in some cases houses and barns being in danger. The Presbyterian harvest dinner, held on Thursday, was a success, also the concert in the church in the evening. The proceeds amounted to \$85.75. Rev. C. W. Walker managed both afternoon and evening programmes admirably. J. Sheelington and men are doing a rushing business loading lumber. Friday's rain was very acceptable after five or six weeks of drought. Miss H. E. McNeely left on Friday for Huntsville, where she will take up duties as a teacher in the public school. Visitors: Miss Elsie Crozier, Burridge, at D. Hecht's; Miss H. E. McNeely, Carleton Place; S. Brown, Tamworth, at Mrs. Shield's; Mrs. W. J. Hambly, Sudbury, at her father's, J. Harris; Miss Spray McVety has returned to Kingston after a couple of weeks at Joseph Harris'. Rev. C. W. Walker is spending the week in Kingston.

Lombardy Local.
Lombardy, Sept. 4.—Misses Bertha and Etta Nichols are visiting Harlem and Athens. Thomas O'Reilly has returned after an extended visit to relatives in different points of western United States. Quite a number of young men have gone to the northwest. The new Roman Catholic church is being plastered. John Caulley, Westport, has the contract. R. H. Wells, Delta, known as a first class pump maker, has gone into partnership with Fred. Petty, pump maker, of this place. Gordon Barber, Athens, has returned after a visit with relatives here. Our agent, B. B. Bellamy, spent a week recently in the township of Drummond buying eggs. During the week he bought and drew to Perth for shipment 1,170 dozen of eggs. He will spend this week buying grain. Ben is a hustler. Arthur Peyman, our city engineer, made his son, Fred. Peyman, of Perth, a visit lately. Miss Jennie McCall, Smith's Falls, is visiting at Theodore McKenney's. Walter Andrews is on a visit to relatives at Escott and Rockport. Several went to Perth on Monday to celebrate labor day. James McGillivray, Smith's Falls, visited at Michael Balfe's on Sunday.

Phillippsville Pointers.
Phillippsville, Sept. 4.—The farmers and threshers report all kinds of grain above the average of other years. Corn is gaining since the late rains, but there will not be as much to shell for it has not eared up very well. The drouth has also effected the potatoes; they will not be as good a crop as they promised to be earlier in the season. Roots will also be a short crop unless the showers that we are getting now will help them. W. H. Ludbrook is putting up an improved washing machine; for simplicity it will take the cake—of soap. A number of farmers are erecting silos this season. Corn cutting will commence this week. Miss Mary Livingston, Athens, is the guest of Miss Amanda Alguire for a few days; she is also calling on old acquaintances. J. W. Halladay's sister Lucy is spending a few days at his home. Mrs. Perre Napanee, is on a visit at her old home here. P. A. Alford, spending a few weeks at the Caledonia Springs, has returned greatly improved in health. Mrs. Alford paid her parents at Athens a visit. Mrs. Warren, visiting friends in Lansdowne, has arrived home. Some of our young people attended the camp meeting near Athens last Sunday. It maketh the farmer's heart rejoice and maketh him exceedingly glad when he gets twelve cents per pound for cheese; and still, withal, he feels very sorry-full on account of his cows giving so small a quantity of milk. It is very hard to please man.

STRENGTH FOR MEN

The boy develops into the man, strong or weak, according to his health. I have made a lifelong study of weak men. For thirty years I have applied Electricity in the treatment of all results of indiscretion and excesses. I apply it by means of my invention, the Dr. Sanden Electric Belt, now used throughout the world. It is a great home self-treatment, a natural cure.

NO DRUGS.

Over 6,000 men, young and old, restored to strength during Write for free book, which explains all, sent in plain, sealed envelope drop in and consult me free of charge.

SANDEN,

132 St. James Street, Montreal; 140 Yonge Street, Toronto.
