"Opifer per Orbem Dico"."

SCHOOL EXAMINATIONS. institute has written a letter to the Mail society. Above the perfumery of some in which he severely condemns the present people there is an unmistakable flavour of and almost universal examination system. pork sausage. He reasons from a teacher's standpoint and with a clearer view than ordinarily of the effect of enap verdicts in attaining promotion in classes or certificates of standing. Here is Mr. Ellis' summing ur, his remarks applying, perhaps, more to secondary than to primary education :

"Examinations as we have them are not productive of good to our school eystem, "I. As a relection test they fail of their

noo beneficial. ... The papers set may be, and fre quent. them taught? ly are, so unfair that they result in posi-

tive injustice to great numbers of candi-

some subjects and some departments of

competitions among candidates. . 5. They have produced, and continue to nourish, an entirely wrong public rentiment regarding the efficiency of teachers and of school work.
