Thirst-satisfying health-giving.

Thirst is one of the trials of these warm summer days. What shall we drink? Which do you prefer, a glass of insipid, tasteless water or a cooling, refreshing, effervescing glass of Abbey's Effervescent Salt? A teaspoonful of

ABBEY'S EFFERVESCENT SALT

in a tumbler of water not only satisfies the thirst but keeps the system in good order. It may be

taken at any time without any unpleasant after ef-

"I am very happy to be in a position to tell you that I use your Salt with much success. It is certainly a medicine which is destined to render great service. have already prescribed it to many patients, who have found it without exception most satisfactory."
