Mr. O'Railly has decided to enter the grand seminary at Montreal, instead of cor trouing his studies at the university. His departure from college life will be greatly regretted by the students.

Which Would You Cheese, To be a man with a bad, nasty, irritating cough with 25c. in your proket, or the rame man minus the cough, minus the quarter, and with only an empty Four T's bottle in the house. One 25c. botcle of Four Te has often cured a whole family of coughs and colds, some recent and others real ald chronic cases. Try s 25c. bottle. Bold by J. B. McLeod, drug-

and not like magic on a weak stomach and disordered liver.
