OUR METHOD OF DOING BUSINESS.

their homes. Our method is the same as adopted in England. We are tance accordingly, upon receipt of which we will forward machine and the introducers of this plan and the largest knitting concern in Canada. outfit ready to commence. After long experimenting we have been able to produce an Automatic Machine by which all kinds of SHAMLESS knitting is now done by Our Family Machine, thereby enabling anyone of ordinary intelligence to quickly learn to do the work from the Instruction Guide. All we Co-Operative Knitting Co. require is that you use the machine according to directions. The Machine being made expressly for this purpose, and the operation so simple, it cannot possibly make a mistake in its work. The great demand now is for Bicycle Stockings, Woodmen's Socks

and Motormen's Mittens; and as we are unable to supply the demand have taken this method of advertising for more help. The large export trade to Northwest Territories B. Columbia, and the British Colonies furnishes an unlimited demand for our goods; and, as a guarantee of good faith, and to defray expense of shippwith the combined co-operation of the many families we are employing, to gether with the large amount of knitting we are able to turn out, by which we save rents, insurance, interest on capital, etc., enable us to undersell any manufacturers of this class of goods, and we have sale for and 25 cents for the return charges on the money to us. all the knitting we can have turned out.

The price we pay for finished bicycle stockings is the comment hundred, knit without a teachor. We say, yes; it requires no teacher; any at the rate of roc. per pair; woodmen's socks, so motormen's mittens, 12c. a pair. All other work in proportion to size. The machine can be operated by any one of a family, and at our Guide can learn to knit at once. price any energetic family should be able to sustain themselves com-

fortably, and in time be a source of independent comfort.

Our plan is to send out each machine to beginners with a sock or stocking partially knitted, and remaining in the machine ready to be continued, and also enough yarn to kuit one pair of sample socks or T stockings, and a simple and complete Instruction Guide, showing how the work is to be done. When the samples have been finished and returned to us satisfactory, we send a quantity of yarn, which you knit and return likewise when finished. We prepay charges on all work oue way, and our workers pay return charges. The work, as we have stated, is simple and rapidly done, the machine having a capacity of ten thousand stitches a minute. We have many persons now in our sent to me by Express, CHARGES PREPAID. employ who can knit from twenty-five to thirty pairs of socks or stockings a day; and where the time of a family is devoted to the work, you can readily see that \$15.00 or \$20.00 per week can be easily earned
