BUTTON UP

Your Overcoat is what many, Jack Frost permitting, will soon do Many a man or boy dislikes to button up the old one. Good enough perhaps, for a hack but hardly the thing for a Sunday. We have good news for the intending purchaser, be he Man, Boy, Father or Son. We keep a nice range of fine or heavy Overcoats and get the name of selling them cheap. Coats all sizes to fit all age.

the marbor of Corvo One of the most curious finds ever made from the sea was that which

island of Corvo was then in posbeen frozen in the ice for a lifetime, and had lately been released It had come down from Davis strait, and was an ancient and battered hulk without masts, bulwarks, or name. The craft had been a brig. and she was a Russian. Her hatches were on and her cabin doors fast, and the hulk was buoyant. She had come out of the belly of an iceherg. She had little cargo, and that consisted of skins and furs in prime condition. No papers were found in her cabin, but it was figured that she was a sealer or trader, carrying a crew of ten or twelve, and that for years. Then she got fast in the The date of a letter found in her Still, things might be much worse.
