

HEART DISEASE.

Some Facts Regarding the Rapid Increase of Heart Trouble. Heart trouble, at least among the Americans, are certainly increasing, and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, or poor digestion.

Heart trouble is incurable, but not only a case in a hundred of heart trouble is organic. The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerve, the sympathetic and pneumogastric.

In another way, also, the heart is affected by the form of poor digestion, which causes gas and fermentation from badly digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence, arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart. The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Sturtz's Dyspepsia Tablets, which may be found at most drug stores, and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular use of Sturtz's Dyspepsia Tablets at meal times will cure any form of stomach trouble except cancer of the stomach.

Small sized packages of these tablets sold by all druggists at 30 cents. Little book on stomach troubles mailed free. Address F. A. Stuart Co., Marshall, Mich.

Men of All Ages suffering from the effects of early folly quickly restored to robust health, manhood and vigor. Loss of Honor, Premature Decay, Weak Memory, Erections of Youth, Night Loss, Varicose Veins, etc. cured.

OLD DR. GORDON'S REMEDY FOR MEN in a few days will make an old man of 60 feel so young, and a young man of 20 feel so old. It is the only medicine that cures all the ailments of men.

FOOTBALL ON SATURDAY.

A REGULAR FOOTBALL CARNIVAL IN LOCAL CIRCLES.

Queens' team this out Queen's 11 team in the intercollegiate series - Nationals vs. from Hamilton - Limestone vs. from Oshawa - 11 by default - Granite vs. from Hamilton - Queen's loss to Montreal.

For the second time this season the claws of the Hamilton Tigers were clipped on Saturday, this time by the hardy team of championship busters known as the Kingston Granites.

The Tigers in their mountain lair were supposedly weak fighters and their backers were all, but nevertheless their defeat of Saturday previous by the Argonauts had spurred them to action, resulting in a week's hard training and preparation to spring a big surprise on the warriors from the Limestone city.

Did they do it? Not they! The Granites were superior players in all respects and had the day been fine and dry a much larger score than 12 to 0 would have been recorded. Shortly after 3 o'clock, amid one of the numerous showers which fell during the afternoon, the whistle of referee McMurich and umpire Jellicoe called the following to combat:

Granites—Back, Rayner; half backs, McKee, Hamilton, McConville; quarter, Dalton; scrum, Freeborn, Harlett, Milo, wings, McConville, Ross, Young, Rankin, Asselstine, Brison and Palmer. Hamilton—Back, Jeff; half backs, Danoulin, Wyle, Kerr; quarter, White; scrum, Cook, McCarthy, Hawkins; wings, Barry, Duvar, Martin, Ryckman, McDonald, Tracey, Quinn.

In the absence of Du Moulin, who was unable to appear, Wyle kicked for the Hamilton and the game started with a rush round Granites' twenty five yard line. What looked like a dangerous attack on Granites territory was averted by a clever kick by McKee which brought the play nearer the centre. Early in the game the ball was well fed to the halves on both sides but Granites' good kicking and catching could not be neglected and before long Hamilton had elapsed 12 to 0 on a long kick from McKee and soon after he had so repeat it on a like pattern from "Pad" Hamilton.

The scoring was small but it seemed to awaken the Tigers and they made gains by dribbling and muffs on part of Granite backs. It was not for long, however, and once more the charging rush and pass game which the Granites excel was much in evidence. Dalton, Ross, Asselstine and Young gaining ground again and again, until Tigers' twenty five line was reached. Here Dalton secured the pigskin from scrum and passed to McKee who soled clean across the field and over the soved line for a try which he failed to convert. It was now apparent that the Tigers were outclassed, as the Granites simply played rings around them. Dalton would back the line, Hamilton would kick long and hard, McKee would sturdily run and kick, Ross and Metcalfe rushed the line buckers along and Young and Palmer followed up like whirlwinds, completely disconcerting the Tigers' backs, who were repeatedly muffed. Before half time Jeff again roused on a kick from Hamilton and McKee got over for another try which was not converted as he had hurt himself in falling on the ball. Thus is the end of the first half Granites had scored three rones and two tries or eleven points in all.

In the second half the play was more even but of a ragged, loose nature, especially near the end, after an extra heavy lowpouper had made the ball slippery to handle and heavy to kick. Dalton's kick back to Hamilton was quickly executed, the latter putting it into touch in the Tigers' region, and the play covered in this vicinity for the first five minutes of the second half. Asselstine got in a sensational run of twenty five yards from a throw in but was brought low by Jeff. Britton and Tracey got in a mix up and were put off for five minutes, the only rule out of the day.

Granites' two points in this half were both scored on Hamilton's well placed kicks over full back Jeff's head; the latter rousing the Tigers' backs, who then worked the quick line up game and made a big gain. In stopping Martin's rush McKee's leg was hurt and the game delayed for some time. Then came the rain. The Tigers taking advantage of the Granites' difficulty to pass the ball worked dribbles for all they were worth, and it took several times as if they must score, but Granites' luck was better than the heavy work of Freeborn, Harlett, Milo, McConville and Metcalfe was too little and too ground was regained over and over again. McKee had to retire and Tigers laid a man off to even up. A succession of free kicks gave the Tigers another excellent opportunity, but three times they were rebuffed by the Granites, who against the Rough Riders, and shows that the Granites can play a clean, gentlemanly game if their opponents do likewise. "Chie" McKee was the only player hurt, his ankle being wrenched on a tackle.

Referee McMurich and umpire Jellicoe gave general satisfaction. They were strict in their decisions and promptly penalized any infringement of the rules. Manager Elliott, secretary Goughgan, Morgan Shaw, S. Hartness and many others indefatigably assisted in the handling and entertainment of the team, and they were undoubtedly well looked after. Odds of every description were offered by Granite backers, but so far as known no dollar was wagered. The Waldorf was a lively scene on Saturday night as tea time. Cheers, speeches, club yells, congratulatory telegrams, etc. served to keep the boys enthused.

team showed lamentable lack of experience and a knowledge of the game. The civilians are perhaps the better team individually, but collectively they play wild. With one week's good training in essential points of the game Queen's men will make a much better showing against the aggregation to which they lose Saturday. Odds were also far from being in form and at times played scrappy but they had a knowledge of the game which their opponents lacked and were able to quickly cover any errors they made, thus protecting their danger lines.

The teams lined up in this form: QUEEN'S: Ladies: fullback... McLean; halfbacks... Calder; quarter... Baker; scrum... Lindsay; wings... McKelvie; backs... McKelvie; backs... McKelvie. NATIONALS: Back, Strachan; half backs, Craig, Robinson, Crothers; quarter, Bi-cock; scrum, Revell, Hatton, Le-Hue; wings, Mahood, Gaudreau, Greaves, Laird, Tweed, O'Brien, Bearnace.

Referee, C. R. Webster; umpire, E. O. Slier; timer, W. R. Kerr, touchline referee, cadet Marshall, C. Merrill; goal judges, R. Hiscock, cadet Craig. Queen's won the toss and kicked north with a slight wind in their favor. The game was severely started when rain began falling, making handling the ball a difficult task. Odds were made from the start and not many minutes elapsed before Low got over for a touch, cadets gaining a few feet at a time, by short sprints and bucking the line. The try was missed. Harly obtained the next score on a long run, cadets putting up nice combination work, Clarke starting in by passing to Murphy who in turn relieved to Harly. Again the cadets lost two points by failing to convert. Just before half time was called Baker attempted a rush, relieving to McKee, who passed to Keith, the last named getting over the line, the try being successful, and leaving the score at half time fourteen to nothing in cadets' favor.

Queen's put up a stronger defence in the second half and held their opponents down to one touch, though they were unable themselves to obtain a single point. The touch was made by McKee, Clarke stating the ball rolling and passing to Caldwell, who passed to Ridon, the last named handing the ball to McKee. The scoring closed with a brilliant point in cadets' favor, nil for Queen's. "Canons" Canell put up an elegant game for Queen's but received very poor support. He was playing out of his class, as he proved himself too fast for his company. Several times he stole around the scrum and made good gains. Queen's scrum game is a good one but lacks experience.

Cadets halves worked together very well and the wings outplayed their opponents. Nationals vs. Frontenacs. The return match in the junior series between Gananoque and Nationals resulted in a decisive victory for the latter, the score standing 25 to 0. Not even the earnest entreaties of "Billy" Richardson could rouse Gananoque from their stupor in the second half when the cadets' death knell was sounded by touchdowns at short intervals. The first match between these teams a week ago resulted six to four in favor of Nationals, and at the end of the first half of Saturday's game, when Nationals were four points in the lead, the result of the round was in doubt. Gananoque played well during the first half, their wings holding the line and the halves and scrum doing good work. Nationals lost several points by not kicking the ball over their opponents' line, instead of foolishly trying to break through when thirty-five yards away. "Jigger" Robinson was the chief offender in this respect. Near the close of the first half McCarthy, Gananoque's quarter, got kicked in the side, and was laid out for five minutes. He had to be carried off the field, and Carr took his place. The second half was a history of the slaughter. Nationals kept possession of the ball nearly all the time, and it was never in their territory except for the kick off. Gananoque's scrum game and wings were torn asunder, and Nationals ploughed through them for great gains. The kicking of Craig, Nationals' right half back, was the feature of the game. Hiscock's quarter played a rattling game. At 3:15 the teams lined up thus: Gananoque—Back, Moore; halves, Dier, Ormiston, Kenny; quarter, McCarthy; scrum, Colender, Donovan, Merandi; wings, Flora, Hilliard, Bartlett, White, Wright, Burton, Stevens.

Nationals—Back, Strachan; halves, Craig, Robinson, Crothers; quarter, Bi-cock; scrum, Revell, Hatton, Le-Hue; wings, Mahood, Gaudreau, Greaves, Laird, Tweed, O'Brien, Bearnace. Referee—J. M. Mowat; umpire, E. O. Slier; time-keeper, W. H. Maccoe. The only score in the first half was after five minutes when Crothers kicked a goal from a penalty. For a while the ball remained near Nationals' goal, but was worked down to Gananoque's ten yard line and then to the goal line. Gananoque forced the play up a little, and half time was called with the ball fifteen yards from their goal.

Gananoque was not in the game during the second half. Two minutes Craig made a pretty run of forty yards to the anoque goal, and after a few scrummings Hiscock got over for a try which Robinson failed to convert. From Gananoque's thirty five yard line Craig kicked to full-back Moore who missed and Robinson made a touch and kicked the goal. Again the ball went to Gananoque's line on Robinson's kick, and he kicked a try afterwards got through the line and made a touch, but the goal was missed. Another long kick by Craig to Gananoque's goal line was muffed by Moore, and Hiscock and O'Brien secured a touch. This goal was missed also. Once on resumption of play, Craig kicked over the line, and Moore roused. A few minutes before time Gaudreau made a touch on Craig's kick. This ended the scoring for the spectators were tired of the monotony.

During the game Graves, Laird and Tweed of the Nationals, and Hilliard and Wright, of Gananoque were ruled off for some slight scrapping. Limestone won by default. Owing to a misunderstanding, Saturday's match between the Limestone and cadets was not played. The teams were to have met at 10 o'clock, but the former by default. The Limestone put in an appearance on the grounds at the regular time, which greatly surprised the R.M.C. boys, as they understood that the others had already received the game. An attempt was made by the cadets to put a team in the field, but it was unsuccessful, therefore the referee appointed by the O.R.F.U., George Hanley, lined the Limestone up, and after appointing as his umpire Stanley Allen and also his other officials, gave the city boys the game.

As the van containing the Limestone was returning to the city, a van was met returning to the city, containing several players from the same ranks, who had been up at the K.A.A.A. grounds, and who would no doubt have been put on the cadets' junior team. The Limestone

team showed lamentable lack of experience and a knowledge of the game. The civilians are perhaps the better team individually, but collectively they play wild. With one week's good training in essential points of the game Queen's men will make a much better showing against the aggregation to which they lose Saturday.

ORPHANS' HOME MEETING. THE DIRECTORS RECEIVED REPORTS ON SATURDAY. Over Sixty Ladies Present—Expressive Ex-coon Reverted—The Committee Wants Separate Homes For the Boys and Girls—Addresses by Rev. James Elliott and Rev. G. E. Starr.

Saturday afternoon the annual meeting of the directors of the orphans' home took place in the school room. His worship the mayor presided. There were present, besides Rev. James Elliott and Rev. G. E. Starr, about sixty ladies. The meeting was opened by the ladies singing "Three Cheers For The Yellow and Green," a song adapted to the fall of the year. Rev. Mr. Starr then read in prayer, after which Miss E. Mackintosh, the secretary, presented her report which showed as follows:

That nothing eventful had happened during the year. From the Lancasterian fund they had received the usual annual grant of \$600. This had materially assisted in helping to educate and train poor children for a life of usefulness. The committee wished to offer grateful thanks for great help afforded them. They were thankful to the public school board for continuing to use the home as one of the public schools, and the children have made good progress under the care of Miss Healy. In April the committee was approached by the re-organized children's aid society, now working separately from the orphans' home, asking them to afford a temporary shelter to Protestant children, whom it was found necessary to remove from their parents' homes. Terms were agreed upon, but as yet no children have been sent. For a long time the committee has desired to have separate homes for boys and girls. As a step in this direction the upper flat in wing, hitherto a sick ward, is now to be used as a boys' dormitory. The sleeping apartments will be quite separate. Twelve new iron beds have been purchased to supply these rooms, and the old wooden cots which have done such good service will be discarded. This is done by orders from the government inspector. The children have been free from any serious illness. Miss Lovick continues to visit children placed out, and tells of some very satisfactory homes. Many have been the applications for girls of twelve years or over, but in few cases could the want be supplied, the children being younger. At the end of the year (September 30th) there were fifty-five children under care, and during that period there were eighty-five. The committee deeply regretted the resignation of Mrs. Carrolle, matron. Mr. and Mrs. Thomas Smeaton have been appointed to the position of superintendent and matron. The report spoke in tender tones of the late Mrs. R. V. Rogers, for twelve years corresponding secretary. Early in the year a brass tablet was placed in the home in memory of Michael Moran, who left \$20,000. Mrs. Moran and the late John Gasco bequeathed \$100 and \$40 respectively. Thanks were tendered J. Gleason for a liberal supply of ice.

Rev. Mr. Starr moved the adoption of the report. He expressed himself as pleased with the way in which the home was prospering and thought that anything left in the ladies' hands would be well done. He had once heard it said: "If you want news spread telegraphically, telephone and tell a woman." Without reflecting on the ladies he did not quite agree with that. If he had any work to do and wanted it done economically, without any loss as to efficiency, he would leave it in the hands of the ladies. He was sorry to hear that a capable matron, Mrs. Carrolle, was resigning and thought it would be a great loss to the home. She had been a good manager. After the children had contributed another song, the treasurer, Mrs. Waddell, presented her report, which showed that receipts were, in round numbers, \$3,600, and the expenses \$3,800. The report was moved and adopted.

Rev. Mr. Elliott also made a brief address. He took, he affirmed, a great interest in children. The ladies were doing their duty in the manner in which they conducted their work. They were doing their duty to the church, and even more to the state, in training the children more by inspiration than prevention in principle of honesty and industry. Whenever he got a chance he would advise the claims of the home. The meeting closed with the singing of "God Save The Queen." The directors then proceeded to look over the home.

Sixty Years Married. Sunday, October 31st, 1899, was the sixtieth anniversary of the marriage of two of the best citizens of the city, Mr. and Mrs. Charles Lapum, parents of E. S. Lapum and Mrs. William Thomas of this town, and Jesse Lapum, Chilliwack, B. C. Mr. and Mrs. Lapum were married at the home of her father, the late John Shibley, Esq., of Portland, by the Rev. Robert Perry, on the 8th day of October, 1839. The groom on that occasion was twenty-one years of age and the bride seventeen. Surely the days of their married life have been many, and now happy in the society of each other they are passing down to the eventide, trusting fully in One who has so far protected them from their earthly pilgrimage and will continue to do so unto the end. Mrs. Lapum has two sisters living, Mrs. Clete, of Deseronto, and Mrs. J. N. McKim, of Napanee. Mr. Lapum is the only surviving son of the late Robert Lapum of Deseronto, and brother of the late James N. Lapum, at one time member of parliament for Addington. A few near relatives were invited to partake of a sumptuous dinner prepared for the occasion by Mrs. E. S. Lapum, and a pleasant time was spent listening to the aged couple narrate events that transpired during the early years of their married life.

Other Games. Montreal, 15; Ottawa College, 3. Ottawa City, 25; St. Johns, 2. Race Director Manager. Edwin Marshall, secretary of the Excelsior life insurance company, of Toronto, is in the city. While here he appointed M. F. Hughes, late of the Home Life company, to represent the Excelsior company as district manager for the counties of Frontenac, Lennox and Addington. The concluding paper of Mrs. John Drew's "Autobiographical Sketch" in November Scribner's, contains a number of personal impressions of some of the most famous actors of the stage, including Booth, Wallace, Jefferson, Florence, Macdoo, Macready and others. It is illustrated by rare portraits and old play bills. Sir Henry Irving devoted part of his summer holidays to an article for the Ladies' Home Journal. "Shakespeare in Small Communities," tells how the study, reading aloud and acting of his works may be followed in communities away from the larger centres. The winter's supply of wood for the city buildings is being piled up on the streets fronting the building, a painful reminder of the city's antiquated method of heating its public buildings. Thanksgiving is at hand. Let us help you prepare for it by dressing you up in one of our stylish fall suits or tailor-made "Top Coats." Grand Union.

A young man was before the magistrate this morning for a serious offence, and received a sentence of six months in Central Prison. He was growing in the park. In D. McCallum, Belleville, Indiana, was in the city on Monday en route to visit his brother at Sudbury.

Incidents of the Day. Newsworthy Paragraphs Picked Up By Our Reporters on Their Rounds. Godfrey's plan at Uglow's. Richard Macpherson, Earl Street, is seriously ill. Barfield cured by Miller's Compound Iron Pills. W. C. Fraser, Cape Vincent, spent yesterday in the city. Dress up for Thursday will not cost you much at the Grand Union. The new regulations on the G.T.R. are not working very satisfactorily. North King leaves for Rochester at 5 p.m. Sunday. J. H. Stanley, agent. Isaac Waterman, paid Kingston one of his periodical visits yesterday and to day. Can't eat? Take Miller's Compound Iron Pills for a few days and observe the results. Prof. DeKals has returned from Boston to resume his duties at the school of music. Dr. Platt has completed the sale of his residence in Picton to Dr. Lockhart, of Harrowfield. We are lonely at the top as top-coats sellers. Grand Union. John Hoag, of the outer depot, left this morning for Toronto to visit friends. O. O. Banson, of the Birkbeck loan company, London, is in the city on business. Miss E. Yale, Union street, entertained a number of friends at a card party on Saturday night. Miller's Worm Powders the best laxative medicine for children; pleasant to take. Sister Mary of the house of Providence, Kingston, visited Mrs. Mandeville, Wellington, last week. Thanksgiving day enjoyment will not be complete without one of our stylish fall suits. Price \$10 and \$12. Grand Union. Two more applications have been received by the congregation of Cooke's church for the vacant pastorate. Mr. and Mrs. E. J. Healy, Picton, are in the city visiting their son, a cadet at the Royal military college. Three applications for the vacant pastorate will cure hard or soft of Peck's Corn Salve 15c. at Wade's drug store. Mrs. Daly and Miss Minnie Daly, Kingston, are visiting at the residence of Mrs. Moore, Black River Station, Glenora. If your child is pale, peevish and does not thrive, a dose of Miller's Worm Powders occasionally will cure. Mr. and Mrs. J. M. May, and wife, Clergy street, went over to Rochester yesterday afternoon on the steamer North King's excursion. Be sure and attend the married ladies' tea in Brock street Methodist church, Tuesday evening, October 17th. Concert at eight. Admission 15c. Madam Pelletier, St. Ferdinand, is in the city visiting her son, Lieut. Pelletier, taking a course in "A" field battery. Don't experiment with Magnesia Dye which have been successfully used in Canada for twenty-five years. Price ten cents for any color. There was a false alarm of fire on Saturday evening. The firemen were called to box 34 on Union street. The new horse had his first run. Buy quality in your coats. Price \$10. Grand Union, 132 Princess street. Miss Irene Thompson and Miss Ida Couch, both of Rochester, left last night by the North King for their homes after spending a week with friends in the city. The boy probably needs a new suit. This week will be the proper time to buy it, as every suit in this department is reduced for Thanksgiving trade. Grand Union. The Bay of Quinte R.Y. new short line for Tweed, Napanee, Deseronto, and all local points. Train leaves City Hall depot at 3:45 p.m. R. J. Wilson, C.P.R. telegraph office, Clarence street. Small, sweet pears are being retailed in the city, which were grown in the Bay of Quinte district, near Picton. They sell at 13c. a dozen or 15c. a peck. The fruit is very choice, though a little more expensive. Ex-almern William Robinson thinks it would be a wise proceeding to have an independent census of the city taken. He is willing to wager that the population is greater now than it has been in five years and will contribute \$5 towards having one done next year. Dr. Wain Mitchell's new story, which the Century Magazine will print in serial form beginning with November, is called "The Autobiography of a Quack." Dr. Mitchell has used his knowledge of the under side of his profession in a way which is said to make an unusually attractive psychological study. It will be a good story for romantics and colds is the Diamond Quackery, barabour and champagne 25c. and 50c. a bottle at Wade's drug store. G. B. Edmison, druggist, Woodstock, says: "Sometime ago I persuaded a customer to try Miller's Kidney and Bladder Pills, and now after using two boxes he thanked me for my advice, and told me he had used every medicine he could lay his hands to, but had never found anything to give him such good results as your K & B Pills.

ORPHANS' HOME MEETING. THE DIRECTORS RECEIVED REPORTS ON SATURDAY. Over Sixty Ladies Present—Expressive Ex-coon Reverted—The Committee Wants Separate Homes For the Boys and Girls—Addresses by Rev. James Elliott and Rev. G. E. Starr.

Saturday afternoon the annual meeting of the directors of the orphans' home took place in the school room. His worship the mayor presided. There were present, besides Rev. James Elliott and Rev. G. E. Starr, about sixty ladies. The meeting was opened by the ladies singing "Three Cheers For The Yellow and Green," a song adapted to the fall of the year. Rev. Prof. DeKals has returned from Boston to resume his duties at the school of music. Dr. Platt has completed the sale of his residence in Picton to Dr. Lockhart, of Harrowfield. We are lonely at the top as top-coats sellers. Grand Union. John Hoag, of the outer depot, left this morning for Toronto to visit friends. O. O. Banson, of the Birkbeck loan company, London, is in the city on business. Miss E. Yale, Union street, entertained a number of friends at a card party on Saturday night. Miller's Worm Powders the best laxative medicine for children; pleasant to take. Sister Mary of the house of Providence, Kingston, visited Mrs. Mandeville, Wellington, last week. Thanksgiving day enjoyment will not be complete without one of our stylish fall suits. Price \$10 and \$12. Grand Union. Two more applications have been received by the congregation of Cooke's church for the vacant pastorate. Mr. and Mrs. E. J. Healy, Picton, are in the city visiting their son, a cadet at the Royal military college. Three applications for the vacant pastorate will cure hard or soft of Peck's Corn Salve 15c. at Wade's drug store. Mrs. Daly and Miss Minnie Daly, Kingston, are visiting at the residence of Mrs. Moore, Black River Station, Glenora. If your child is pale, peevish and does not thrive, a dose of Miller's Worm Powders occasionally will cure. Mr. and Mrs. J. M. May, and wife, Clergy street, went over to Rochester yesterday afternoon on the steamer North King's excursion. Be sure and attend the married ladies' tea in Brock street Methodist church, Tuesday evening, October 17th. Concert at eight. Admission 15c. Madam Pelletier, St. Ferdinand, is in the city visiting her son, Lieut. Pelletier, taking a course in "A" field battery. Don't experiment with Magnesia Dye which have been successfully used in Canada for twenty-five years. Price ten cents for any color. There was a false alarm of fire on Saturday evening. The firemen were called to box 34 on Union street. The new horse had his first run. Buy quality in your coats. Price \$10. Grand Union, 132 Princess street. Miss Irene Thompson and Miss Ida Couch, both of Rochester, left last night by the North King for their homes after spending a week with friends in the city. The boy probably needs a new suit. This week will be the proper time to buy it, as every suit in this department is reduced for Thanksgiving trade. Grand Union. The Bay of Quinte R.Y. new short line for Tweed, Napanee, Deseronto, and all local points. Train leaves City Hall depot at 3:45 p.m. R. J. Wilson, C.P.R. telegraph office, Clarence street. Small, sweet pears are being retailed in the city, which were grown in the Bay of Quinte district, near Picton. They sell at 13c. a dozen or 15c. a peck. The fruit is very choice, though a little more expensive. Ex-almern William Robinson thinks it would be a wise proceeding to have an independent census of the city taken. He is willing to wager that the population is greater now than it has been in five years and will contribute \$5 towards having one done next year. Dr. Wain Mitchell's new story, which the Century Magazine will print in serial form beginning with November, is called "The Autobiography of a Quack." Dr. Mitchell has used his knowledge of the under side of his profession in a way which is said to make an unusually attractive psychological study. It will be a good story for romantics and colds is the Diamond Quackery, barabour and champagne 25c. and 50c. a bottle at Wade's drug store. G. B. Edmison, druggist, Woodstock, says: "Sometime ago I persuaded a customer to try Miller's Kidney and Bladder Pills, and now after using two boxes he thanked me for my advice, and told me he had used every medicine he could lay his hands to, but had never found anything to give him such good results as your K & B Pills.

ORPHANS' HOME MEETING. THE DIRECTORS RECEIVED REPORTS ON SATURDAY. Over Sixty Ladies Present—Expressive Ex-coon Reverted—The Committee Wants Separate Homes For the Boys and Girls—Addresses by Rev. James Elliott and Rev. G. E. Starr.

Saturday afternoon the annual meeting of the directors of the orphans' home took place in the school room. His worship the mayor presided. There were present, besides Rev. James Elliott and Rev. G. E. Starr, about sixty ladies. The meeting was opened by the ladies singing "Three Cheers For The Yellow and Green," a song adapted to the fall of the year. Rev. Mr. Starr then read in prayer, after which Miss E. Mackintosh, the secretary, presented her report which showed as follows:

That nothing eventful had happened during the year. From the Lancasterian fund they had received the usual annual grant of \$600. This had materially assisted in helping to educate and train poor children for a life of usefulness. The committee wished to offer grateful thanks for great help afforded them. They were thankful to the public school board for continuing to use the home as one of the public schools, and the children have made good progress under the care of Miss Healy. In April the committee was approached by the re-organized children's aid society, now working separately from the orphans' home, asking them to afford a temporary shelter to Protestant children, whom it was found necessary to remove from their parents' homes. Terms were agreed upon, but as yet no children have been sent. For a long time the committee has desired to have separate homes for boys and girls. As a step in this direction the upper flat in wing, hitherto a sick ward, is now to be used as a boys' dormitory. The sleeping apartments will be quite separate. Twelve new iron beds have been purchased to supply these rooms, and the old wooden cots which have done such good service will be discarded. This is done by orders from the government inspector. The children have been free from any serious illness. Miss Lovick continues to visit children placed out, and tells of some very satisfactory homes. Many have been the applications for girls of twelve years or over, but in few cases could the want be supplied, the children being younger. At the end of the year (September 30th) there were fifty-five children under care, and during that period there were eighty-five. The committee deeply regretted the resignation of Mrs. Carrolle, matron. Mr. and Mrs. Thomas Smeaton have been appointed to the position of superintendent and matron. The report spoke in tender tones of the late Mrs. R. V. Rogers, for twelve years corresponding secretary. Early in the year a brass tablet was placed in the home in memory of Michael Moran, who left \$20,000. Mrs. Moran and the late John Gasco bequeathed \$100 and \$40 respectively. Thanks were tendered J. Gleason for a liberal supply of ice.

Rev. Mr. Starr moved the adoption of the report. He expressed himself as pleased with the way in which the home was prospering and thought that anything left in the ladies' hands would be well done. He had once heard it said: "If you want news spread telegraphically, telephone and tell a woman." Without reflecting on the ladies he did not quite agree with that. If he had any work to do and wanted it done economically, without any loss as to efficiency, he would leave it in the hands of the ladies. He was sorry to hear that a capable matron, Mrs. Carrolle, was resigning and thought it would be a great loss to the home. She had been a good manager. After the children had contributed another song, the treasurer, Mrs. Waddell, presented her report, which showed that receipts were, in round numbers, \$3,600, and the expenses \$3,800. The report was moved and adopted.

Rev. Mr. Elliott also made a brief address. He took, he affirmed, a great interest in children. The ladies were doing their duty in the manner in which they conducted their work. They were doing their duty to the church, and even more to the state, in training the children more by inspiration than prevention in principle of honesty and industry. Whenever he got a chance he would advise the claims of the home. The meeting closed with the singing of "God Save The Queen." The directors then proceeded to look over the home.

Sixty Years Married. Sunday, October 31st, 1899, was the sixtieth anniversary of the marriage of two of the best citizens of the city, Mr. and Mrs. Charles Lapum, parents of E. S. Lapum and Mrs. William Thomas of this town, and Jesse Lapum, Chilliwack, B. C. Mr. and Mrs. Lapum were married at the home of her father, the late John Shibley, Esq., of Portland, by the Rev. Robert Perry, on the 8th day of October, 1839. The groom on that occasion was twenty-one years of age and the bride seventeen. Surely the days of their married life have been many, and now happy in the society of each other they are passing down to the eventide, trusting fully in One who has so far protected them from their earthly pilgrimage and will continue to do so unto the end. Mrs. Lapum has two sisters living, Mrs. Clete, of Deseronto, and Mrs. J. N. McKim, of Napanee. Mr. Lapum is the only surviving son of the late Robert Lapum of Deseronto, and brother of the late James N. Lapum, at one time member of parliament for Addington. A few near relatives were invited to partake of a sumptuous dinner prepared for the occasion by Mrs. E. S. Lapum, and a pleasant time was spent listening to the aged couple narrate events that transpired during the early years of their married life.

Other Games. Montreal, 15; Ottawa College, 3. Ottawa City, 25; St. Johns, 2. Race Director Manager. Edwin Marshall, secretary of the Excelsior life insurance company, of Toronto, is in the city. While here he appointed M. F. Hughes, late of the Home Life company, to represent the Excelsior company as district manager for the counties of Frontenac, Lennox and Addington. The concluding paper of Mrs. John Drew's "Autobiographical Sketch" in November Scribner's, contains a number of personal impressions of some of the most famous actors of the stage, including Booth, Wallace, Jefferson, Florence, Macdoo, Macready and others. It is illustrated by rare portraits and old play bills. Sir Henry Irving devoted part of his summer holidays to an article for the Ladies' Home Journal. "Shakespeare in Small Communities," tells how the study, reading aloud and acting of his works may be followed in communities away from the larger centres. The winter's supply of wood for the city buildings is being piled up on the streets fronting the building, a painful reminder of the city's antiquated method of heating its public buildings. Thanksgiving is at hand. Let us help you prepare for it by dressing you up in one of our stylish fall suits or tailor-made "Top Coats." Grand Union.

A young man was before the magistrate this morning for a serious offence, and received a sentence of six months in Central Prison. He was growing in the park. In D. McCallum, Belleville, Indiana,
