MORED TRAIN.

They are Repeatedly Repulsed-Kimberley are being made to tamper with the rail-

cording to Pretoria Advices. Colesburg, Oct. 18.—It is persistently

Spyfontein, says a special despatch from shire regiment. Cape Town, was quite lively. The armorin range, when the Boers opened fire. The Maxims were instantly set to work and did great execution among the burghers.

The armored train returned to Kimberley unharmed. The crew of the armored train say the Boere fired thirteen shells, but their aim was wretched and not a single places will amount to 12.500 men. shot struck the train, which then made bold to approach nearer and opened fire

with the Maxims. The burghers replied with heavy rifles, again shooting wildly. Only three or four bullete struck the train. Subsequently the crew learned that five Boers and two Boer horses were wounded. Not a member of the British force was so much as

A cyclist dispatch from Otcoeboep, near Malmani, asserbs that heavy fighting had been in progress all day long north of Mafeking The British troops on board an armored train acted as a covering force to military engineers engaged in repairing the track. A Maxim on the train kept up a continual fire.

Conspicuous bravery was displayed on both sides, but it soon became apparent that the rifles of the burghers were ineffective against an armored train. The latter, however, was once forced to retreat before a particularly strong assault, but it soon returned, accompanied by a British mount. ed contingent, and the fighting was renewed fiercely.

Fighting still continues, the Boers holding their positions well. A dezan Boere were killed or wounded, but the British casualties cannot be ascertained. Heavy firing can be heard south of Mafeking, where Gen. Cronje's commando is opera. opened a branch at Sydney, C.B.

PREACHER TO BE HANGED.

Is Convicted of Killing Bis Wife to Marry Another Woman.

FORT WORTH, Texas, Oct. 18 -Rev. George E. Morrison, Panhandle City, Carson county, convicted of killing his wife by giving her strychnine in an apple, will be hanged at Vernon on October 27th, if a

stay is not granted. Morrison became infatuated with an estimable young woman at Topeka, Kan., and under the pretence that he was single Lalles and that he was among the wealthiest cattlemen in Texas, be engaged her to marry him, and the day of the wedding was set. In the meantime he planned to put his wife out of the way, and at his trial it was proved that he killed her by giving her a poisoned apple to eat. After her death Morrison fled, and detectives captured him at Topeka, where

arrangements had been made for his marriage to the young woman in that city.
