ARTILLERY DUEL-MANY SURRENDERED.

LADYSMITH, Oct. 22 -Real zing that the first attacks on Glencoe was part of 30 different general combined attack by three columns and that the situation was still serious so long as the Boers held the railway at Elandslaagte, severing communication be tween Ladysmith and Dundee, Sir George Stewart White on Friday resolved to give battle with a view of recapturing Elands-

> On the morning of that day all the mounted troops here, supported by the battalions of infantry and two batteries of artillery, reconnoitered some twelve miles along the New Castle road. On approach ing within three miles or so of the break on the railway line, our men saw the Boer | gent. outposts falling back, apparently in no great force. We captured four, who had mistaken our men for Boers until we were too near for them to get away. Then our men returned and late Friday night Gen. White determined to advance in force on Elandslaagte at an early hour the follow.

ing morning. At an early hour our forces moved out by road and rail. It was computed that there were about 1,200 Boers with big guns and Maxims covering their front and occupying a well chosen position at the base of a sugar loaf shaped hill some little distance south of Elandslaagte. On both flanks a wide sweep on all sides, leaving an open-

A British armored train, supported by two trainloads of infantry, immediately on approaching the enemy's position was shelled by the Boers. Our artillery was at once brought up and drove the Boers from their guns making a series of brilliant dashes into the valley and up the successive heights to get nearer the Boer main position. Thrice were the Boer batteries on the way silenced by our artillery, although the Boers fought with great pluck and determination, returning each time our guns moved and raining shrapnel and Maxim bullete against

our advance. At four o'clock a tremendous artillery duel was in progress. Two Boer guns, Cas. splendidly placed, were stubbornly fought for two hours and a quarter, while mounted Boers endeavored to come into contact with our men on the left and
