I had been troubled with tetter for several years. At times my hands would be sore all over, so that I could not use them at all, and were so tender that clear water, even, smarted like fire, and it spread over srms, neck, and face. I had been treated by physicians, but without benefit, when I began the Curicura remedies. I found relief before I had taken the first bottle. I used three or four bottles of CUTICURA RESOLVENT, one cake of CUTICURA SOAP, and one box of CUTICURA (cintment), and it has never troubled me since. ELLA CURZON, March 10, 1898. Eppingham, Ill.
