STRUGGLE IN MANITOBA. The Greenway government will be reelected. Of that there is no doubt. It But that is not so much to be desired. was almost altogether liberal, and the government had few to find fault with it.

But the promise is of a campaign which will embody the usual contradictions. Already one railway corporation has shown grillsh officer siees from Boers in a its hand. Mr. Millen, the president of the Northern Pacific company, intimates that he wants concessions from the government. from way party, and was thought to be satisfied. | was some distance as a conservative print has pointed out, capture. Col. election purposes inuendo is as good as assertion, and sometimes better.

medium through which the Northern Pacific is declaring war on the government. Mr. Millen has addressed his epistle to clare that the whole of Griqualand Mayor Andrews, of Winnipeg. Mr. An. West, except Kimberley and Mafedrews is a conservative, but he favours the king, are annexed to the Free State. government ownership of railways. He tion announcing that compensation is, therefore, against the bonusing of them. Will be demanded for property de-He cannot favour the Northern Pacific's stroyed by the Boers. Auction Sale Of Timber is calculate i to injure the government, the treasurer of which, Col. McMillen, is his opponent.

And all the while Mr. Macdonald, the leader of the opposition, is the solicitor of that Dr. Leyds has further evidence (Woods and Forests Branch) the C.P.R. and presumably its best friend

THE JURY SYSTEM. Toronto, November 1st, 1899. A young man is on trial in New York, MOTICE IS HEREBY GIVEN THAT UN charged with poisoning one to whom a der authority of Order in Council, TIMBER | chemical preparation was sent through the BERTHS as hereunder mentioned in the AL mails. Some days have so far been spent DISTRICTS, viz :- The Townships of BOWELL, in selecting the jury. The counsel for the Foy, HARTY, LUMSDEN, BYAN and part of defer to is determined shat every man Moncrieff, in the District of Algona; the who shall pass upon the evidence is an in Marseilles, but there is a lack of Township of Horman, part of Capreol, Berth telligent person, and capable of correctly sufficient tonnage.

ship of Widdiffeld, all in the District of Ni-So each one is submitted to an exam PISSING, and certain small areas in the District of RAINY RIVER, will be offered for Sale ination as be steps forward, and it is re by Public Auction at the Department of markable that, as a result, only four men lice are well and comfortable. Suphave been called. "Evidently the jury plentiful. Everything was quiet yesterday and this morning. There has system is not a shining success in that been no further bombardment. Sheets containing conditions and terms of Sale, with information as to Areas. Lots and paper. But it is not a reflection on the Cape Town, Nov. 21.—The British prisoners Concessions comprised in each Berth, will be jury system. It simply happens that in furnished on application personally or by let- the kind of lottery that attends the selecter, to the Department of Crown Lauds or to tion of jurors a number were picked who do not understand the phrases or words that are put to them, and who are not, therefore, considered competent to pass N.B -No unauthorized publication of this upon the case.

By the way it is observed that the jury system has its drawbacks. It is found that some of those who are summoned do not attend. The inference is not that they are disdainful of the occupation. It is not that, but the occupations of some persons are such that they cannot leave them, and To The Electors of The City of so they incur the fines they freely pay. Cornelius Vanderbilt was twice advertised as a defaulter under the jury eystem. But it turns out that he was not served in one receive the notice at all.

Mr. Vanderbilt is not too proud to serve JAMES A. MINNES. bie fellows in a humble capacity. He esteems it an honour to act as a juryman. Transfer of Tavern License He is a son of the late Cornelius Vander. bilt, and entered the shops of the New York Central railway as a boy to work as any other apprentice and learn all that he could about machinery. Some day he will be at the head of the system, and he purposes to be qualified for the position by service in all ite branches.
