NAPANEE NOTICES.

Wood Scarce on the Market - A Little Boy's Death

NAPANER Dec 11. - We had ideal winter weather for a few days last week, but on Saturday old probe predicted "rain or chibis, irritation of the throat and kindred sleet" on Sunday and it was as predicted. affections in Catarrh zone. There is no Saturday was a very busy day in all kinds of business. The blacksmiths report that in all their experience they never had so much business in one day, principally horse shoeing. The market was also very large, and fowl in abundance were offered for sale and found ready buyers at very fair prices. Wood was the only scarce article on the market and the few loads offered were not long in finding buy ers. A listle more snow would remedy the scarcity of this article of such importance at this time of the year.

Dr. Bissonnette, who left here about a year ago for Caledonia, has removed to Stirling, Out., to practice his profession His many Napanee friends wish him every success in his new home.

The county council finished their assesion on Saturday after a week of thoughtful del beration on the needs of the county. Eldie Smith, the little re mu year old son of Charles Smith, died on Friday last and was buried vesterday afternoon. The little fellow was ill only a few weeks of rheumatism, which developed rapidly and affected the child's have, causing death.
