Opportunity Neglected Is Dangerous and Expensive.

A cough demands prompt attention. You cannot recover the time you have wasted trying worthless remedies nor can you recover the money you have expended on them.

BOER TO GET A BEATING.

Roberts Will Not be Too Harsh With His Woman.

London, Dec. 21.—Gen. Lord Roberts, accompanied by Lady Roberts and their two daughters, arrived in London yesterday, having travelled from Dublin by Mr. Chamberlain.

After going to a private hotel he spent an hour at the war office in consultation with the marquis of Lansdowne, the secretary of state for war.

Gen. Roberts then returned to the task of packing his effects and interviewing the officers selected for his staff. He gave the following statement:

"Circumstances naturally forbid my speaking about the campaign ahead of me, except to say that I have full confidence in the British soldier and that I believe the traditions of our army will be upheld in South Africa."

"For the friendly interest and sympathy exhibited by many Americans I am most deeply grateful. I feel sure the justice of our cause merits this. Though we may be at war, I can safely say that no unnecessary harshness and no acts of inhumanity will mar the fair name of this branch of an Anglo-Saxon race."

"I cannot too warmly express my admiration for the spirit which pervades the British soldier. The action of the British soldier will always be a glorious page in the history of the sons of the empire. I look for great things from the men who have sent and are sending to the front."

"The reports which indicate that disloyalty exists in the Irish regiments are absolutely untrue. In the hour of danger my countrymen have shown their loyalty to the British crown and country, and whether it be against the Boers or men of any other nationality, the Irish soldier will be found loyal to his queen and his country. I can say that I have no doubts of the loyalty of the Irish regiments."

AMERICAN FLOUR SEIZURE. Two Carriers, Supplied to be for the Boers, are Captured.

New York, Dec. 21.—A. J. Twomey, of produce exchange and the Pennsylvania bank and export company, has sent a protest to Washington against the seizure by the British of flour sent to South Africa by his firm.

Mr. Twomey has received information by cable that the ship "Cape" with a cargo of flour, bound for Delagoa bay and sent to East London, while another ship, the Maria, has been sent to Port Natal. A week ago the Mashona, with 14,000 sacks of flour, was stopped at sea and taken to the Boers.

The flour, it was suspected, was for the use of the Boers. The captured ships, which were chartered by the Pennsylvania milling company, belonged to Beckwith Bros., London.

A Quaint Story of Victor Hugo and Louis Philippe.

In the reign of Louis Philippe Victor Hugo was a frequent and welcome guest at the Tuilleries. Here is one of his anecdotes of the time as told in Victor Hugo's memoirs.

"A few days ago the king said to Marshal Soult (in the presence of others), 'Marshal, do you remember the siege of Cadix?'"

"Rather, sire, I should think so. I swore enough before that cursed Cadix. I invested the place and was forced to go away as I had come."
