Foresters, court Cataraqui, I.O F., being present in a body. Mr. Laing found his text in I Cor. XVI, 13, "Quit ye like Those Who Take Part In The Processionmen." Paul's letter, he said, was written to the church at Corinth when some encouragement and exhortation was need ed. The former condition of the people made their moral standing weak, and christianity was then young. It required herric christian workers to extend the internets of the church, men such as Paul, who could adapt themselves to circumstances. The same characteristic is need. ed at present just as in the past. That bodies of men such as the Foresters are banded together for beneficent work which are wra, t up in the term, purest manhood is only attained by the in- 1,269, R. Siddell. dwelling of God.
