Right reserved to change time without notice. For further information regarding passage One of the most remarkable instances of the strength and cunning of the tiger occurred recently in a noted hunting ground near Bombay, India. A party made up of several members of the Natural History society of Bombay had come on the track of a magnificent tiger and had succeeded in cornering him, as they supposed, among the mountains. Accompanying the party were seren "beaters," who search the forest or "beat" the game from its hiding place.

First cabin, \$52.50 and upwards; 2nd cabin, for the night in the forest. The seven The party, confident of its prize, camped Liverpool, Derry and London, \$38.25. New York to Glasgow, calling at Derry, Mongolian beaters occupied a small hut by themselves. The hut had but a single door, and this was fastened securely. In so safe a retreat the men decided to sleep without a guard. In the morning, to the consterns tion of the party, one of the beaters was missing and his mangled remains were

found in the forest near the hut. It was shown on investigation that the RIVER AND GULF ST. LAWRENCE man who had been partly devoured by the tiger had been killed in all probability instantly by the tiger's clutching his throat The man's jugular vein had been severed. Charlottetown, P.E.I.; Georgetown, P.E.I., and were awakened. The victim was then to society. killed and carried to the tiger's retreat.

Bounty Jumping.

One of the results of the payment of big bounties during the civil war was the coming into existence of a class known as FAST DAY LINE "bounty jumpers." The various bounties and gratuities, toward the end of the war, Rochester, Oswego, Kingston and rarely aggregated less than \$1,000 per recruit, and a great many hard characters took advantage of this national, state and CTRAMER LEAVES SWIFTS WHARF municipal liberality by enlisting, getting Tuesdays, Thursdays and Saturdays at the money and deserting at the first opportunity. Aug. 21, 1864, 450 recruits for Leaves Mondays, Wednesdays and Fridays the First New Hampshire cavalry, under at 6 p.m. for Thousand Islands and Alexandria command of Major Cummings and guard-Making direct connection at Oswego for New ed by a company of the veteran reserve corps, arrived in that city by special train For further information and rate of fare see from Concord. Large Versus Small Warships. One argument that has been made in favor of building a comparatively large number of small warships rather than a smaller number of large vessels, with large crews, is that the smaller ones afford the greater number of independent commands and opportunities of training for Nethin as done so much to encourage command. Between 1872 and 1883, 76 seastealing applifting) as modern depart- going fighting ships were launched for the ment stores and their methods. The prob British navy, varying in displacement belem presented is a difficult one with tween 430 and 2,000 tons, and the number which to deal, but while merchants have of men and officers in these ships ranged a right to display their goods, the public from 59 in the smallest to 220 in the laralso has rights and duties in the matter. gest. These ships were to be found all If a banker dumped his cash on tables over the world. Admirals, captains and outside his desk railings and let people leading officers of today were all trained handle it at will, he would not get much in them, and splendidly trained. These sympathy when he complained that it ships, however, have been displaced dur-

had been stolen. And if he continued the ing recent years by larger vessels, with practice because their losses were more larger crews, making, for each command, than offset by the increased profits which larger claims on naval estimates and on the display resulted in, as is the case the reserve of men. Some of the foremost and this had caused instant death. The with the department stores, there would authorities now lean to the opinion that blow had been dealt so quickly and effect. be much justice in the claim that he had too much trust is placed in big ships and ively that the victim had not been able to no right to make profits by any method guns and too little in the skill, enterprise utter a single cry.
