A BAD INVESTMENT MADE GOOD.

I have half a gross of empty bottles upo my shelves. Everything my neighbors and friends would tell me to try I would go straight away to the drug store and purchase. I was in a terrible condition from dyspepsia and liver troubles and was getting worse all the time. I was so discouraged buying one medicine and the other and receiving no benefit that I was about giving up all hope of ever getting better, when my husband brought me home a box of Dr. Ward's Blood and Nerve Pills, which he said had been highly recommended to him. began using them at once, when, to my great surprise. I felt better in a very short time and continued them for about two weeks more which cured me entirely. tras, vočalists or instrumental soloists. There is nothing like it for an evening's entertainment. Other so-called talking machines reproduce only records of cut-and-dried subjects, specially prepared in a laboratory, but the Graphophone is not limited to such performances. On the Graphophone you can easily make and instantly reproduce records of the voice or any sound. Thus it constantly awakens new interest and its charm is ever fresh. The reproductions are clear and brilliant.

Graphophones are sold for \$10 and Manufactured under the ratents of Reil Tainter, Edison and Macdonald. Our establishment is head-quarters of the world for Talking Machines and Talking Machine Supplies. Write for catalogue.
