All May Yet be Cured. Here is the Proof:

Gentlemen, - My appetite, strength and vital energies failed me some time ago. This was caused by a weak, impoverished condition of the blood, which made me feel miserable. I was run down in health and strength, and nothing seemed to do me very much good. Seeing Dr. Wards Pills advertised in the leading papers I thought I would give them a fair trial. I had little or no confidence in tuem, but to my surprise I began to feel better, my appetite as well as my strength returned, and I found a permanent cure in these pills. They produced an abundant supply of pure life giving blood, and for the first time in years I can now enjoy life, cat anything, sleep sound, and am a tirm believer in Dr. Ward's Blood and Nerve Pills.
