REGIOPOLIS DEFEATED.

The Way The Game West This Morning Score Mx To Four.

The Ottawa college II Regiopolis match in the cricket field this forenoon was a lively one. At half time the some stood nix to nothing and an close ex to four in favor of Ottown college.

The referee would not a'low Regiopolis a try on goal for a touch male. The local team held down their opponents far better than expected. Qui a few enthusiasts witnessed the game.

The Ottawa college back division placed well together and Fuley's long sprint down the field was the one redeeming feature of what was otherwise a heavy scrimmage game. Once in the second haif Octawa college attempted so open sup the game but Regispolia persistently laid on the ball. Corrigan secured the touch for Regioncle from Rielly's kick which Fuley failed to return. The teams were :

Lecture Last Eventog

Last evening at the school of science Prof. Nicol lectured to the teachers' association, the subject of his discourse being asbestos. The lecture was profusely illustrated by lantern slides, impressing upon the audience more so than words the point the lecturer wished to make. The nee fulness of asbestos in everyday life was shown. Views were pictured of plays to be presented "After Twenty firepre f uniforms for firemen, bedticks made of the material, quilts, fireproof wall domestic acensils.
