ASSAULTED A YOUNG GIRL.

The Offender Was Sent to Prison For Six Months -- A Sensational Case.

A sensational assault case was tried at Watertown, N.Y., on Tuesday before the magistrate. Joseph Peterson, living on a farm near Picton, went over on the Orangemen's excursion on Monday, and while there was arrested on a charge of assaulting a young girl on the 12th of April last. It seems that Peterson and his wife had been living with a widower named Charles L. Pringle, who had a daughter, thirteen years of age. It was not until the lat of one of the Prettiest, Coolest and Most May that Pringle learned of the assault summer Resorts in Canada, being from his daughter. She was sitting on a need on the Banks of Beautiful Lake Oncouch on the night in question when Peter-

The principal witnesses called in the case dition for Bieveling and Pleasant Drives.

Were Mabel Pringle, Charles L. Pringle, her father, and the prisoner. The latter declared his innocence and said that his wite bore a bad character and had induced the young girl to swear to the story put forth. His wife had told him that she never wished to see him again when he had left Watertown for Canada on April 17th. The magistrate then summed up the evidence and found Peterson guilty stating that he did not believe the prison or was telling the truth. Peterson was sentenced to serve a term of six months i the penitentiary. This seems at sight a wrong conviction and sentence.
