LOCAL IMPROVEMENTS. There is more trouble about local improvement petitions in Toronto. It arose from the fact that some of the signers desired their names to be removed while the petitions were before the civic committees. Now it is declared that once the petitions disposed to use this talk as gospel, and to are referred to the corporation counsel, to found assaults upon the commission therebe examined and reported upon by him, no on. But the press of Ontario, and par-Delightful Stories be examined and reported upon by him, no on. But the press of Ontario, and parwhich means that the corporation, before mors can be so easily corrected, when they the cases go to the counsel, must be satisfied affect the government commissions, should that people know what they are signing, not be verdantly led into believing that or what the effect of the petition will be, before an attempt is made to carry it into effect. There is too much deception about these local improvement patitions. They nals would not lend a hand. call for a sewer or a sidewalk, and the ratepayers get an idea, and a very hazy one, of the cost of the work. Later on they are The Burglar Who Entered the One Place notified that their proportion of the expenditure will be a certain amount. Still later they get their first tax bill, and then they are puzzled to know what it all means. Enquiry reveals the fact that the interest account has been overlooked by the council, at least it is They are the world's leading writers overlooked in the notice sent to the rate of breaking glass. Arising and lighting of elegant and chaste fiction. We have payer, and when too late he discovers that a lamp they proceeded down stairs to invespurchased the exclusive rights for these | the interest is about as large as the cost of stories in this territory. Our readers | the drain to him. Is it any wonder that there is kicking in Toronto and in Kingston? The electors should know all about a public work, conducted on the local improvement plan, before it is begun. The estimate should be high enough and the interest should be added. Otherwise the people are in the dark, and they are made

These attacks upon the commission, and especially on the secretary, insurance or agency announcements are sub- of it, are villainously untrue, and have been inspired with only one object, and possibly from Kingston, namely prejudice the report of these men, and

No enquiry into very distressing circumstances could be conducted more impartially than has been the enquiry of this commission at St. Vincent de Paul, whose THE SEMI-WEEKLY is published on Mon- years, and knows him to be incapable days and Thursdays at \$1 a year in advance; the conduct that is imputed to him. The Attached to the paper is one of the best Job Citizen knows him, too, and should have defended him rather than accepted the slanders of the press in regard to him.

Moreover, the findings of the commissioners' report, so far as the Kingston penitentiary is concerned, were not founded upon the stories or statements of convicts. Some of the convicts did give evidence, but the testimony that told was either documentary in character or the evidence of officials. And such, we believe, to be the case in St. Vincent de Paul.

Some allowance must be made for the anger of disappointed or dismissed officials, and for their vapourings. The Presse, for national or religious reasons, may be the penitentiary commissioners have become the associates of criminals for the performance of work to which some crimi-

VISITED ALWINGTON ALSO.

Must Have Been Here. Evidently the burglar McGarvey, or Hogan, or whatever his name is, who broke into the residence of warden Metcalfe during Monday night, tried to get into the home of Rev. J. A. Allen before he visited the warden's place of residence. Some time about one o'clock the inmates of Mr. Allen's home were awakened by the sound tigate. They found a large pane of glass in one of the front windows broken and the fragments scattered about the room. search of the window revealed the fact that the would be burglar had cut a slat out of the shutter, an old fashioned, cumbresome affair, and had evidently attempted to wrench open the blind. In doing so he must have slipped and in falling his hand struck the glass breaking it. The fellow was heard running away.

Case Against Ottawa Presbytery.

At a meeting of the Ottawa presbytery the case of Mrs. Hyland, of Kingston, who has taken action against the presbytery to collect money which she claims was du refer to other than school standards, in Fitzroy, was discussed. Rev. Mr. Knowles, with all the necessary ac- which case there may be a great deal of of Ottawa, thought the case should be setcessories for driving or force in what the Globe says: "Examina- deceased clergyman.
