D with both single and double rooms, with modern conveniences, at 288 Queen Street. Summer Hotel For Kingston. The board of trade last evening considered the subject of a summer hotel. The attendance was good and several gentlemen spoke. There was absolute agreement as to the desirability of the proposed hostelry, the only difference of opinion arising from the doubt about a choice of building. Ideas were divided between the strictly summer hotel and one constructed both for summer and winter use. The Macdonald park site was almost generally discouraged, because of the public opposition to any use of this ground, and

travel that a city of Kingston's size commands. A committee was appointed to make an estimate of costs of a hotel and to Free Attraction Lake Ontario Park.
