The exhibition in Toronto has surpassed the brightest expectations of its promoters. Thousands and tens of thousands have visited the queen city of the west, and nearly everybody has come away satisfied with sight-seeing. A large contingent of Kingstonians were added to the crowds. It is pleasant to record that our citizen. Mr. Carson, bas been successful in carrying off all the prizes given for water spaniels. Mr. Carson is much to be congratulated. The outcome of the convention has been an interchange of new thoughts, new methods, which will prove another and a new strong link in the bond of friendship which makes of the men of different nations a brotherhood

I wish some would respond to the que; tion asked last week.

"IS MARRIAGE A SUCCESS?" Let personal experience be given or ideals expressed; they will be interesting to every thinking person. Names, as before assured you, will not be published unless permission is given. This week the Montreal Herald has opened up a discussion of the subject, "IS DIVORCE RIGHT?"

This but plainly shows that there is an unrest, a seeking after something not possessed by the nations of the earth, Let us seek a possible solution in the narration of our own experiences, our own ideas on the question. - ERAUD.
