CANADA BOUNTIFULLY BLEST. The Feople Rewarded for Their Generosity

to the Sick and Needy. Harvest home services were conducted guay. in the Union street Baptist church yesterday. The interior of the edifice was beaugrain forming the central features. Large congregations graced each of the three services. At morning service Rev. C. W. King, pastor, took as his text Joshua III.

: "For ye have not passed this way here-The speaker dwelt upon the necessity of the christian entering into the higher spiritual life at an opportune time. At the afternoon service a special programme was rendered by the children the Sunday school, in behalf of the Grande Ligne mission, Quebec. The service was appropriate and heartily entered into by all present.

In the evening Mr. King took as his text Jeremiah vIII, 2: "The harvest is your every shooting want in past, the summer is ended, and we are not " Before entering upon his sermon the speaker dwelt for the space of fifteen minutes upon the past year's perplexities and prosperities. He illustrated the perplexities which the people of Canada and the United States had undergone, and had also assisted in sharing the burdens of On one farm near Flint, Mich., there other nations, namely, in sending relief to the oppressed Armenians and the famine-Bee trees are being found in numbers stricken natives of India. As a reault God bad rewarded the people of this country and of the United States with an abundant harvest, and other nations which had not fent a helping hand to those country who will not be able to dis- in distress were themselves to-day in distress, stricken with famine and war.

The speaker referred to the generosity of the Canadian people, and showed how God inches from the wrist to the tip of the had rewarded them in the way of revealing middle finger.
