The Mystery Is Solved.

NEW YORK, Oct. 11.—The mystery surrounding the deposition of the missing head of William Guldensuppe has been solved at last. The head had been hidden by Thorn in the bushes near the cottage in Woodside, L. I., where the murder was committed, and was afterwards thrown into the sea on July 21st by a friend of Thorn. The latter told a fellow prisoner

about it. Mrs. Nack has sent word to the district attorney that she is ready to tell all she knows about the murder of Guldensuppe if she be allowed to plead guilty to manslaughter in the first degree. The district attorney has refused to consider the propo-

Privilege Cheerfully Given. OTTAWA, Oct. 12.—Some time ago the department of customs asked the authorities at Washington whether a Canadian would be allowed to put together at St. Michael's, for use on the Yukon river, a flat-bottomed steamer for navigating the reply has been received, cheerfully granting permission. There is an American sub-collector of customs Michael's, so that there will be no difficulty in transferring cargo to smaller craft which is able to navigate the Yukon. Several parties have been asking for this informa-

tion from the customs department. New Rules To Be Enforced. NEW YORK, Oct. 12.-New roles governing the shipment of grain from Canada exported by the port of New York, Philadelphia or Baltimore, to take effect Oct. 25th, have been recommended by the managers of the joint traffic association. Grain from the province of Quebec and To ronto will be inspected and graded in Canada before passing the frontier and the cars will be turned over to the trunk lines wit duplicate certificates of the grades from the Canadian government inspectors attached
