BURNING WOMEN ALIVE. Other Punishments Accorded to Women by the Normans.

The horrible punishment of burning women alive seems to have existed Saxon England, but perhaps only in WINS the case of slaves. Under the Norman killed her husband was burned alive crime, and also for high treason, and periods until it was abolished by act of parliament in 1790, the last actual ers thoroughly." execution of this kind having, however, continued even later; public whipping | ces for sugar have been abandoned until 1817, and but now the cases of private whipping occurred as production

the savage human instinct of cruelty less than car loads

the old Roman public longed for the carnage of the circus, as the Spanish populace crowded to the auto-da-fe in the flourishing days of the inquisition, so the lower (perhaps not only the lower) strata of English nationality took delight in witnessing tortures which, in all probability, were devised and kept up partly for their entertainment. Mr. Cleveland tells us that judge Jeffreys, sentencing a woman to be whipped is reported to have said: "Hangman, I charge you to pay particular attention to this lady. Scourge her till her blood runs down. It is
