A Hamilton lady restored to Health:

Mrs. A. Simpson spoke to our reporter as follows, at her cosy residence, 113 Locke St., Hamilton, Ont. Said Mrs. Simpson, "For the last two years I have suffered greatly from heart and nerve troubles.

also pains in my head. My appetite was very poor, and I felt very miserable all the time, hardly able to do my household work. My heart was so bad that I frequently fainted away, and was liable to drop down at any place or time.

Sometimes my heart seemed to bound into my throat so that I thought I would smother. My rest was very much broken, and I grew quite discouraged after using so many medicines without relief.

When I heard of Milburn's Heart and Nerve Pills I decided to try them, and procured a box at John A. Barr's drug store, and now after having used two boxes can say that I am completely cured. My appetite is good, indeed it seems as if I wanted to eat all the time. I sleep well and am thoroughly toned up. Truly I am better than I have been for many years."
