DEATH OF A SEXTON OFFICIATING AT A PUNKHAL. -On Wednesday ast, Mr. John Hall, the sexton and undertaker connected with Rev. Dr Lunt's church, in Quincy, died suddenly white direing a bearse at a funeral. He was 56 years of age, and it is supposed that the cause of his death was an affection of the heart. As he was riding lulong it was noticed that his hat feel from head to the ground, and that he appeared insensible of the fact; this circumstance caused som one to approach him, when he was found to be lifeless, though he sat erect and rigid, holding the reins with a firm grasp. We doubt if there. is on record a similar case of death while in the performance of professional duty of this pecuaistant Missionary in the Township of Moore and | liar character .-- [Boston Transcript, Oct. 11.

The Ric mond Enquirer, Oct. 8, says :- " We do not think the South need fear aggression in the shape of war, and if it come, she may dely any force that can be brought against ber. After every view of this great question that presents itself to our eye; after calmly, weighing all its attendant circumstances, and with a most solemn sense of the importance of a right decision by the Southern people, we are forced to the conviction that the only safe and honorable course for them to pursue, if Mr. Fremon; be elected, is to withdraw immediately from the Union, and to establish a separate government

ARREST OF PARTIES SUSPECTED OF COMMITTING THE BURGHOLTZ MURDER .-- Yesterday (Sunday.) William Reisno and wife were arrested at Burgholtz, on suspicion of being connected with the murder of Dr. Stange, his housekeeper and his daughter. Reisno is the Cooper that lived on the road where the Doctor's body was found His axe, which he stated was stolen, has been found, covered with blood and hair, and some discrepancies in his statements have led to his arrest. The Coroner's Jury commenced their se-sion again to day, when it is hoped something will be elicted to establish the guilt or innocence of the suspected parties .-- | Lockport
