Things are done this way in some cheap sale stores, but not here. We are here to sell you goods for what they are, and to sell wool for wool and cotton for cotton. We therefore ask you to come i and examine the goods even if you do not buy. It will be a guide to you as to what the goods are worth if you examine them closely, the material, the make, the finish, for the price we ask. It is no trouble to show goods and our prices are the lowest.
