People pencil." shan't say that Fanny Emmerson went through the woods to pick up with a crooked stick at last. I am not miserable, such stupidity." wear and nobody to say to me, "You shall or you shan't," and that's more than | train. The women kept up their argumany a married woman can say.

> Alice, my oldest sister, who lives 20 miles away in the city, has just sent me the following characteristic note by mail: DEAR FANNY-As quick as you receive this put on your hat and shawl and come to us. still talking about "a pencil and "one-Fanny (that's my namesake-I wish she had fifteen."-New York Herald. been called Betsy or Susan) is very ill with ome kind of an infectious fever, and the doc tor says that, without good care, she will die. Now you are the only one that can take care of her, and you must come. You know you have no one depending on you. Don't stop to pack; it won't make any difference about your

Humph! It wouldn't have made any difference about me either, only I was handy to have around in case of sickness. After grumbling to myself for awhile I prepared myself and took the first train for the city. As I whirled along in the should do. But how to avoid it? I might sell out and go away to live, but that was I I fallacy. I knew that I could not exist away from my kindred. I might adopt two or three orphans, but I couldn't stand their noise, and then how my pets-birds and flowers-would suffer. No, all these schemes must be dismissed as impracticable. Still I was determined to rid myself of the nursing, even if I jumped out of the frying pan into the fire, even if I was obliged to marry in self defense. Alice met me at the door and kissed me and said: "Dear Fanny, I knew you would come.

But I responded ungraciously, for I almost felt that I had been betrayed by the kiss of Judas. I found my niece very ill and immediately put on my wrapper and prepared for a hard battle. The doctor came and left his orders with me, for my | feast to the intellect and an adornment coming was a sign of relief for Alice. Her to any library-leaned against the side duty will now merely consist in asking of the house, caught his breath, clinched

after the condition of the sufferer. The doctor had a very pleasing voice. scarcely glanced at him, for all doctors man. is tall and dark. I didn't notice the color of his eyes, but I don't think he will care ROCHESTER ROUTE much about the opinion of the nurse. The doctor has just been here. I looked "Where is he?" at him when he said Fanny was better, and his eyes sent a sort of odd thrill through me. He has got very beautiful eyes, not at all like Jerry Jones, squinting ones.

she struggled between life and death. fell fast asleep, and while sleeping I dreamed that Frank had come back. How odd! I have scarcely thought of him . back into the hard realities of life.

years. What a pity that people are awakened from pleasant dreams and forced awoke and heard Alice say, "Poor thing, she is tired out!" and the doctor's voice responded: "Leave her to me. I will take care of her," and I opened my eyes and into mine, and a vague remembrance crept | Urinary or Liver Diseases, as they only reinto my mind. I looked again. When he held out his worse afterwards, but rely solely upon hands, my remembrance was a certainty.
