passed under the boat, bending the rod other lands, the locations of which are so pedoes, whose movements could be di-

but to tax land value or rent; rent does not attach to anything but land.

Land the Almighty made and gave it the "children of men" but land value rent He did not make. It is made by the whole community. Every child born in or emigrant coming to and remaining in country, convicts in prisons, houses of fame, etc., add a value to land and to no ing else but land. Consequently take the fund that all create and pay, the del that all incur, i.e., government expenses This is justice! strict justice!! This substance is what the address in the Guardian is contending for.

The reviewer, in reply, contends that the address is in too highly drawn colors, that the inequalities between the masses and the classes are not so great as are claimed by the address, but he does confess that "It would be a fair statement an one warranted by the facts to say that with an immeasurable endowment of natit would bear no proper test. He puts th tural wealth, with the improvement of second-hand and half-worn material machinery beyond all parallel, with the wherever he can, and charges all he dare before, with the power of producing wealth he thinks he can get out of his client, in abundance vastly greater than in any modified by an abatement, without other age, we have, as a condition for a which no client would give him an orlarge portion of our people, a wholesome der. There must also be a lot of talking,
