RYING NORTH GREY.

North Grey. The Tory papers allege that exports in a yearly total of over \$400,stable. First, as a Manitoban, he was Then, having joined the Tupper Cabinet, he discovered all of a sudden that the highest court in the Empire had prescribed coercion, that, in fact, coercio. was necessary for the fulfilment and Now, he and his colleagues having been

obtained in Quebec in spite of the bishops is a menace to English and Protestant interests simply because it is French, friendly settlement of the School ques tion by Mr. Laurier and Mr. Greenway that shall give the Roman Catholics even a molety of those special privileges which a few weeks ago he wanted thrust upon Manitoba at the bayonet's that after solemnly declaring that Constitutional requirements demand the Remedial bill, which was Federal interference, the party cannot in decency condemn Mr. Laurier for applying a rem edy which the Manitoba Government and the Catholics of Manitoba may alike be willing to accept. There is no getting away from this view. Sir Charles Tupper, it is well known, agrees with Presse. So does Hir Mackenzie Bowell who fathered the Remedial order and took the ground throughout that Federal legislation was a Constitutional necessit Manitoba refused to grant a remedy of her own accord. Clearly, he could not

granting a remedy or with any face raise the Protestant cry against Laurier if he should succeed in persuading her to do so. The Opposition Leadership.

Tupper is Opposition leader for the

time being, but his enemies in the party are preparing the bow-string. He got tenmers of this line will leave Kingston the premiership by intrigue. It is poetic, of American stockholders at the board Daily (except Mondays), going East at 5 a.m., justice, therefore, that by intrigue he meetings was a menace to British con- I health, use should be hustled off the stage alto- nection. gether. A friend of Bowell's called attention the other day to the charges

> ing a cabal against the cabaler and future not one million but twenty million stabbed in the back by the followers he blood for the defense of the Empire.

confer with Mr. Angell and the other commissioners appointed by the United States. But now, it seems, deep-water. ways constructed in whole or in part by American capital would be the "thin edge of the wedge of annexation." Mr. Laurier expressly states, in the interview that is going the round of the American over the canals. But, say the Tory papers, he proposes to give the Yankees joint. ing the tune. What, however, does "joint and what harm would joint management under Canadian sovereignty do? For years the Americans have allowed Cana-Sault on precisely the same terms as

act, especially as there are no tolls to be The Washington Government has locks at that point, yet our boats are charged with nothing and are locked Slates, Pencils and through in their turn just as American Slates, Pencils and vessels are. In like manner, Canada allows American crafts to use the Weltherwood to Capadian vessels. Formerly All School Requisites a charged to Canadian vessels. Formerly we used to discriminate against American vessels going through the Welland to Ogdensburg or Oswego, but that has been dropped. Suppose the Welland and the American Sault were placed without any change of flag under a board of management consisting of Canadian and regulate the traffic, improve navigation, and so on, who would be hurt? How would our connection with Britain be weakened? Is it so desperately fragile that it could not stand that? Or are the Tory papers merely manufacturing a scare for political effect? As Mr. Klyas

Tully observed at the Deep Waterways

Convention in Toronto, part of the

money raised to build the original Wel-

land canal was obtained in New York,

but no one dreamed that the presence

A Tory View of Deep-Waterways. It man be taken for granted that Mr. Sir Donald Smith made against Tupper Laurier and not discuss the deepening of in parliament in 1878. In an altereation the St. Lawrence or the fishery and with Tupper during which Hansard reciprocity questions with an American reports Tupper as shouting "liar," visitor, and then authorize the publica-"coward," "mean, treacherons coward," tion of his views in the United States, etc., at his old friend, Sir Donald stated without knowing something of the trend that in 1873 two Tory members waited of opinion amongst leading Republicans. on him "with the proposition to theow I fancy he and the Hepublican leaders over the right hon, gentleman (Sir John understand each other. However that Macdonald) and the hon. member for may be, the Tory party need not tremble Charlevoix (Sir Hector) if I would con- from head to foot lest he and Sir Oliver sent to give up the position I had deemed | Mowat should sell us, to the Yankees. it my duty to take in the House the Un September, 13, 1894, the Toronto evening before and would support the World, writing of the deep-waterways Government' by voting against Mr. scheme in an article headed "A Bogey Mackenzie's motion condemning the Man," ridiculed the idea that it would Pacific scandal. These two members lead to annexation. "If it is proved," waited on Sir Donald the day after | said the World, "that the deep-waterway Tupper had seen him, and had spoken is to be a genuine benefit to the people Japans, in most desparaging terms of Sir John of both Canada and the United States, Macdonald; indeed, Sir Donald left it to the project can be set going in many KING be inferred that Tupper had sent them different ways without wounding the Sails every Sunday at 6:45 p-m. from Kingston to Rochester, and week days from Port Hope at 8:50 p.m. Take G.T.R. train leaving King ston Bell a.m. For Alexandria Bay, Sundays, Mitchell, a member of Sir John's Adversariation of a private commany to company to comp ministration, who knew that Tupper Governments of the United States and was cabaling for the premierable. Of | Canada to guarantee a certain dividend the Tupper cabal against Bowell all the on so much stock if subscribed for by world knows. Tupper makes out that citizens of their respective countries. the "nest of traitors" deserted Bowell This "would, in fact, be very little just as he himself arrived here from different to the taking capital in the C. England by mere coincidence, but every. P. R. as many English and American one knows better; the whole business investors have done," I have no idea had been arranged in advance. Tupper what plan Mr. Laurier has in mind, but was 75 last month and has been forty as the World says, the work can be done years in politics, yet knows so little of without transforming us all into "tralhuman nature that he supposed he could tors," and it is surely "utterly foolish everthrow Bowell in that underhand for Canadians to object to American fashion without injuring himself or capital coming into their country for bringing odium on the party. As a such a purpose." If old Boanerges were matter of fact, the conspiracy alienated back in office and the Yankees offered thousands of decent Conservatives, and, lend a hand in making a 20-foot channel combined with the widespread distrust from Port Colborne to. Montreal so as of Tupper on other grounds, did quite as to permit of the huge upper lake craft much as the Remedial bill to wreck his sailing from Duluth and Port Arthur to Cabinet and put the party in the cold tidewater without breaking bulk, he would fill the atmosphere with heavy superla-That Nemests is acting justly in rais- tives and big "I's" and see in the near
