SEVERAL FIRES REPORTED. About two o'clock this (Saturday) more ng fire was discovered in the K. & P. station at Glenvale. The station was only a small frame place and was soon burned the ground. There was nothing in the place. About an hour and a half afterwards a barn belonging to James Caines was noticed on fire. This was also totally destroyed. The barn was filled with which may be seen at my office or at the office of Thos. Hanley, Esq. Architect. Balleville. Tenders will be received for the whole work complete or for the different pertions thereof separately. The lewest nor any tender not necessarily accepted.
