His story was generally disbelieved, for there was no evidence of designs, and all the plunder that he had REPARE a not caught in his hands was lying on the floor about him, so that there was London, Sept. 18. — The so-called semi- no apparent reason why a burglar should official communication, published in the be there. All the doors were found morning newspapers, setting forth that the looked by those who came in response to FOR THE.

> though he really believed the butler's story and tried to prove it, he couldn't do it, and the man was finally hanged "A year later a burglar was shot by a policeman in the city nearest to us, and he confessed on his deathbed that he was the murderer of our rich man. He had hidden in the house early in the evening, had collected all he could of jewelry and other portable valuables and was about getting out when he was caught by the old gentleman and the butler, and that the butler had got the 3 pair for \$1.00. bullet intended for him, as he had run into the room just as the old man fired. Dropping everything in his sudden surprise, he rushed downstairs and hid in the hallway, from where he had slipped out as soon as the front door was opened. In the excitement he was not observed. and he got away without any trouble at all, as the nearness to the city made strangers so common that their presence that incident, and I'll never be in favor Low Price Store of the death penalty on circumstantial evidence. Even lynch law is less unjust," and the writer felt that the attorney was more than half right .-Washington Evening Star.

CONGER MEETING HOUSE.

written a letter in which he expresses the It Is the Oldest Methodist Church In Use in Canada. T. W. Casey, Napanee, in Saturday Globe. to the czar, will awaken the mind and The "Conger Meeting House," as it was of familiarly called in its palmy days, was the fearful mischief which the policy of erected in the first decade of this century. his recently deceased foreign minister It was commenced in 1809 and completed the year later. It was the fourth Methodist | worth careful consideration : church erected in Upper Canada, and one of the eleven memorable "meeting bouses" of the Methodist denomination existing LONDON, Sept. 18. -The Constantinople this province as late as 1816. Nor were deepatch to the Morning Post says : "The any other Protestant denominations even grand vizier, Halil Rifat Pasha, threatens | as well supplied as that up to that time.
