### CONSTIPATION

The Bane of Many Live. It's the cause of nine-tenths of the headaches, stomach disorders, fits of "blues,"
despondency, etc., which curse the lives
of thousands. Doses of cheap purgative
pills, while they may give temporary relief,
only increase the trouble, as their use has
to be continued. Mack's Rheumatic
(Liver and Kidney) Pills not only give
relief, but they also cure. They so tone
up the bowel wall and stimulate the
secretions, that in a short time the use of nedicine is unnecessary. Price fifty cents a box at all druggists.
