FIGARIAN TO WE

In making your selections for 'Xmas present know the greatest difficulty is in deciding just to buy.

FOR A MAN

DOES HE SMOKE? Then a nice Smoking Set, Cigar Case, Silver Mat Cigar Moistening Box, or a "good" Box of Cigars (don't buy any if y buy good ones), would be acceptable.

DOES HE TRAVEL? Military Hair Brushes, Oak Tanned Dressing Case, Cuff and Collar Case, Shoe Set, Ticket Wallet, Shaving Case, or something of that sort might be useful.

IS HE AN EVERYDAY YOUNG MAN? An Ink Set, Card Box, Handkerchief and Tie Case, Stamp Box, or numerous other things we could show you. Married or single, young or old, we have something that would be suitable for all.

LADY

It would be hard to specify, but we will just mention a few of the leaders: Dainty Gold and Silver Plated Goods direct from the manufacturer's polishing lathe, look and wear like the pure thing itself, except that ours will not tarnish; delicate odors in Perfumes gotten up in attractive bottles and beautiful designs; Handkerchief and Glove, Manicure, Brush and Comb, Work and Jewel Boxes, in every conceivable design of color, material and workmanship; French Bisque Perfume Atomizers; Photo Frames of all styles; Sterling Silver Mounted Purses and Card Cases, and all at prices that will astonish you and make you wonder how we can sell them so cheap.

THE REASON

We buy them all direct and give you the benefit of it. From January till December first we are constantly on the alert to purchase for our next 'Xmas trade. We know how much we can sell every year and buy accordingly, therefore we never have any shop-worn goods to carry over to try and sell at "less than cost." See our goods this year and prove our words.
