apparatus, tinsmithing, etc., the best policy is to investgate the matter thoroughly. If you do so we gain a customer. The best possible value for your money in Tinware, Stoves, Furnaces, etc. is another way of saying

the republicans have decided, before they have been asked, to refuse reciprocity on equitable terms. Is this not silly talk? How often have men changed their minds about public issues after talk ing them over and exchanging opinions upon them? Supposing the republicans to be hostile, as they are said to be, does it follow that they will not talk the matter ever, and perhaps modify their views upon

keep cool. Sir Richard knows what he is doing, and he will be certain to give a good account of himself.

It is announced that Major McGillivray, Q.C., has tendered his resignation to the speaker as member for North Ontario. Simultaneously comes the news that at the trial of the petition against his election the seat was abandoned by him and dis-claimed by his opponent in the recent contest. Why Mr. McGillivray should be appear to the average mind. What what he does not hold is the conundrum of the hour. The conclusion is that he is not next to Opera House. Instruments for a politician, that he is not skilled in diplomacy, that he has been a dead failure in public life and did not go out of it soon enough to save his reputation for sound or common sense. When, after the last election, he saw that a grave irregularity had been committed by ballot-box stuffing, he professed to be horrified, and anxious, But the house and Mr. McGillivray was found in his place, behind his leaders, and as eager as ever to serve his leader. Then came the preparations to oust him, and the de fence, in a spirit of fight, up to the time of evidence being taken. And then Mr. McGillivray determined to leave parlia ment and attend to the business of the Independent Order of Foresters. For his own sake and the good of the order it is pity he did not make the decision a year

casual poor, was interesting in several re-

The fact was established that the House of Industry has been misnamed. It is now a poor house, the resort almost entirely of the indigent poor, and some of these so respectable, though reduced in circumstances, that it is not considered expedient they should be brought into contact with the casual visitors whose characters are sometimes as much damaged as their cloth-

"Opifer per Orbem Dicor." It having been announced that Sir Richard Cartwright was going to Washngton to discuss with the leading men of the United States the possibilities of reciprocity some papers have undertaken to give him advice. One paper declares that the only treaty that will be acceptable been denounced by the republicans as not favorable to the United States. Which

it? There is no man in Canada as able to debate trade questions with the Americans as Sir Richard Cartwright, and until he has reported the result of his visit to Washington it is as well for the critics to

Collingwood street, to permit ordinary traffic; \$8 for payment in full of Mrs. and passing a by-law in relation to the Rogers' claim; \$300 for cleaning water tables and grates, which sums have been asked for by council. The report was The report of the board of works, as streets." The motion carried. Ald. Behan objected to the action of the

It had been stated in the press that Ald. Milne had sent in his resignation to moved in amendment that \$500 be adranced and that the finance committee he requested to provide the funds. Ald. Allen asked if the board of works

secured the opinion of the city solicitor on the question, and that opinion was that Ald. Milne is a member of council. The council should have declared the seat vacant, if it had been desired, to prevent Ald. Milne from taking it. Why was the question raised at this particular time Was it in the best interests of the people of this city? He said honestly and conscientiously that if this petty, penurious question re the oil limits had not arisen no attempt would have been made to prevent Ald. Milne from taking the seat. Ald. Milne had never sent in his resignation. He did write a letter to the mayor stating

Ald. Tait thought that the city could not have a better asset than the amount of ston; now on hand. The s one-breakers are men who are past the age at which they could do heavy physical labor. They have to work in weather that a common convict would not be allowed to work in. The stone on hand will not blue mould, nor rust, the weather does not affect it and no

condition of the streets at present would Ald. Walkem, while opposed to ex-Ald. Skinner said be and Ald. Strainge

Ald. Donnelly rose to a point of order.

Tax collector Thompson reported to council last evening, as follows: Total of taxes 1895, \$140,330.06; co lected \$124,975.36; remitted \$6,632.19; balingmen concerned. He was told, "We'll ance \$8,722.51. Total of taxes 1895.
