Holloway's Pills ...

The united testimony of thousands, extending over more than forty years, most strongly recommends these Pills as the best purifiers, the mildest aperients, and the surest restoratives. They never prove delusive, or give merely temporary relief, but attack all ailments of the stomach, lungs, heart, head and bowels in the only safe and legitimate way, by depurating the blood, and so eradicating those impurities which are the source and constituent of almost every disease. Their medicinal efficacy is wonderful in renovating enfeebled constitu tions. Their action embraces all that is desirable in a household medicine. They expel every noxious and effete matter, and thus the strength is nurtured and the energies stimulated.

Rheumatic Pains

The most successful treatment known, and it is now frequently resorted to by medical men, is the application of that now famous remedy for pain-Polson's Nerviline. It is safe to say that nothing yet discovered has afforded equal satisfaction to the suffering. A trial can be made at a small cost, as sample bottles of Nerviline can be had at the drug stores for 10 cents, large bottles 25 cents.
