ARMBRECHT'S Coca

Sustains and Refreshes Both Mind and Body-Aids Digestion-Improves the Appetite, and Removes Fatigue.

It is both effective and rapid in its action, and may be taken with perfect safety for any length of time. It is superior to all other tonics, such as Iron, Cinchona, Calisaya, &c., and unlike these IT NEVER CON-STIPATES.

In cases of sleeplessness from exhaustion or fatigue it is invaluable, producing sound and refreshing sleep, without the distressing sensation so common after Opiates, Bromides, and Hydrate of Chloral.

It has been prescribed throughout Europe for years by the most eminent physicians, and has been pronounced the most powerful restorer of the vital forces.

Neither Was Slighted.

It was in 1874, and in the St. James Military hospital in New Orleans. A box of gifts had been sent from Boston to the soldiers. The fady who had distributed the articles in this box among the soldiers in the hospital had got down to the last thing in the bottom-a pair of stockings with a love letter in the toe. She entered a ward where the brave Michigan and Indiana sufferers were convalescing after the terrible battle of Baton Rouge. Before her, upon their cots, there lay two mutilated but cheerful young fellows, covered with sheets, She held up the parcel toward them, and said: "But one pair left-draw lots for

Rheumatic Pains

Require no description, since with rare exception, all at some time have experienced. their twinges. Rheumatism is not easily dislodged; only the most powerfully penetrating remedies reach to its very foundations. The most successful treatment known, and it is now frequently resorted to by medical men, is the application of that now famous remedy for pain-Polson's Nerviline. It is safe to say that nothing yet discovered has afforded equal satisfaction to the suffering. A trial can be made at a small cost, as sample bottles of Nerviline can be had at the drug stores for 10 cents, large bottles 25 cents. Nothing But the Truth.
