MR. RINE.

Last evening pursuant to brief announcoment, a meeting was held in the YvM. C. A. hall, at which Mr. Rine made an address of more than passing interest. The attendance was not large, but it was But they took the whole town with them. derness will bring the man. It is like very respectable, and represented the infinential classes of the city. Dr. McCammon occupied the chatr; and around him and associated with him were Rev. -The Methodists anticipate a large Mesars. Joliffe, McKay, McCuaig, Grafftey, Carson, (of Brantford) and others. Shortly after 8 o'clock the meeting came THE CHAIRMAN,

in opening, read a chapter of scripture,a hymn was sung and then he referred to the presence of one who had played a prominent part in temperance reform, who had, in the hands of God, been in strumental in raising the fallen, those who had been degraded by drink. But by request he first called upon REV. W. A. CARSON for a short speech. After another hymn

had been sung the ray, gentleman said

he would not detain them long, especially

as the evening was warm, and they want ed to hear his friend and brother Mr. Rine, to receive from his own lips an account of the great work in which he was engaged. It had been his privilege to labor with Mr. Rine for some time, and he knew something of the splendid success which attended the campaign in Toronto and Brantford. He had been left sometimes to wonder where the secret power lay which made these services so miraclously successful - he had often questioned the source of the magnetism which seemed to attract not only the temperance men, but the intemperate, Offord is a veterau yachtsman, one of that power which not only sobered men, the good old stamp, who race for plea- but led them to follow noble and useful lives. The secret was this : That the ing new in them. (Laughter.) There and tears rolled down his cheeks. He movement has God with it; that dependence is placed on Him alone to give His and at meetings about 16 men would it. He described his feelings and the blessing to the work; and those who sign | crowd themselves into a large hall; or | incidents of the next day, ending with the pledge do so, depending on His arm to strengthen and keep them up. He passed on to compliment Kingston's citizens upon the progressiveness of the city. Kingston was a place of oppositeness. That is, when other places were making abnormal growth it was standing comparatively still; but when other cities new and novel deserved a patent, whe and his arms around him, and fortifying were stunted by commercial depression, ther in the United States, Canada or any him with encouraging words, he had forward. There was no city, such as it is, whose growth and evidence of increase and was an unusual affair. There had under these circumstances. (Applause.) and vitality were manifested more during been a crusade in Pittsburg some time. The poor trembling victim will accept the past two or three years. (Hear, before this. Excitement ran high.
