that, for I dreamed—dreamed a heap o' the system generally, my blood being things afore I woke. There was but one dream, however, that I have ever been thin and poor and sluggish in circula. TWENTY splendid Iron Steamships, full

outside, were becoming drenched in the of your Peruvian Syrup. I earnest and colder, and their numbness gradually it has me. extended upward to other parts of my body. It seemed, however, that it was only the under side of my person that was thus strangely visited. I laid upon An Infallible Remedy for a'l Diseases of the my back, and it must have been a species of night-mare that afflicted me, for I knew at last that I was dreaming, yet felt it impossible to rouse myself. violent fit of coughing restored at last my pawers of volition. The water which had been rising around me rushed into strokes of the pump, which was driving scrofulous origin or otherwise, weakness or de

it into the boiler, 'My whole condition -- no, not all of it -not yet -my present condition flashed vocation requires an incessant action of the across me with new horror. But I did | eyes, the Salve will act as a charm in restoring not again swoon. The choking sensation. | a unitorm healthy action, where weakness, pain which made me faint when I first dis- | and a leery may have long threatened a latar covered how I was entousbed, gave way to effectual remedy ever discovered; the materials from slumber. The previous discovery Less, sale in its application, being used exterof the closed sperture, with the instant nally and of course, avoiding the pain and oblivion that followed seemed only a part | tion of austic minerals and eye washes. Ring of my dream, and I threw my arms about | worm and Old Chronic Seres. of scrotulous and looked eagerly for the opening by or gin, or resulting from whatever cause, vield which I had entered the horrid placeyes, looked for it, and felt for it, though it was with the sad conviction that it quires but a few applications The propriewas closed, now a second time brought tors of DR. J. PETITT'S AMELICAN EYE SALVE, home to me, which prompted my frenzied while making new and improved machinery for making a perfect box for the Eye Salve, cry. Every sense seemed to have ten have changed the Trade Mark on the cover so fold acuteness, yet not one to act in uni- as to correspond with the Cut on the wrapper, son with another. I shrieked again and circulars, advertisements, etc. Wa call attenagain -imploringly, despairingly, savage- tion to this, as it might otherwise be regarded ly. I filled the hollow chamber with my ories till its iron walls seemed to tingle around me. The dull strokes of the ac. NJRTHROP &LYMAN. cursed pump seemed only to mock at, while they deadened my screams.

'At last I gave myself up. It is the struggle against our fate that frenzies the mind. We cease to fear when we cease grew calm.

I was resigned to die - resigned even to thought, so very new after all, to awaken unwented horror in a man. Thousands have been sunk to the buttom of the shrieking not for life but for death, only die only as many a better man had died per box. Sold by all medicine dealers a: 25c before. I could meet such a death. said so, I thought so, I felt so-felt so, I mean, for a minnte or more; ten minutes it may have been, or but an instant time; I know not, nor does it matter i I could compute it. There was a time, then, when I was resigned to my fate. But, good God! was I resigned to it in same moment heard the roar of the for-

'You shudder. It was hideous. But did I shriek, and shrivel, and crumble HOTEL GUIDE senses in that horrid agony of fear! No. blood curdled at my heart, seemed about te stagnate there forever, still I knew . was too hoarse, too helpless, from my previous efforts to cry out more. But struck, feebly at first, then strongly, frantically, with my clenched fist against the sides of the boiler. There were peo- Princess Street, the most central Hotel in the ple moving near who must hear blows. Could not I hear the grating of chains, the very rustling of a rope - hear them all within a few inches of me ? did; but the gurgling water, that was growing hotter and hotter about my ex tremities, made more noise within the streaming cauldron than did my frenzied

blows against its sides. 'Latterly, I had hardly changed my position; but now the growing heat the water made me splash to and fro; lif ing myself wholly out of it was impossible, but I could not remain quiet. stumbled upon something- it was a mallet! a shauce tool the smith had left bewith what confidence did I now deal my prison! But scarce had I intermitted them for a moment, when I heard the terture me! My knucking was unheard, though I could hear him toss the sticks into the furnace beneath me, and drive Express 2:00 1.m. 2:15 a.w. to the door when his infernal oven was

'Had I yet a hope? I had; but it rose in my mind side by side with the fear that I might now become the agent preparing myself a more frightful death. Yes, when I thought of that furnace with its fresh red flames curling beneath the iron upon which I stood, a more frightful death even than that of being builed alive! Had I discovered that mallet but a short time sooner, I would, by its aid resort to the only expedient now left me. 'It was this: I remembered having a marlin-spike in my pocket; and in less time than I have taken in hinting at the consequences of thus naing made an impression on the sides of the boiler, and soon succeeded in driving The water gushed through the aperture-would they see it? No! the jet could only play against a wooden partition, which must hide the steam from view; it must trickle down upon the decks before the leakage could be dis-Should I drive another hole Why the and make the leakage larger? water within already seemed to be sensibly diminished, so hot had become that would I not hear it bubble and hiss upon the fiery plates of iron that were already scorching the soles of my feet? 'Ah! there is a movement-voices.

hear them calling for a crow bar. The bulkhead cracks as they pry off the plank. They have seen the leak, they are they call for the-the-
